Sanctioning the proposal of the Director of Public Instruction to award work money, not exceeding As. 6 per quarter, for each boy of the band class in the — .

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers:—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated 11th August 1904, Ref. on Cur. No. 5120.

I have the honour to request you will be so good as to obtain the sanction of Government to the award of work money, not exceeding As. 6 per quarter for each boy, to the pupils of the band class in the Reformatory School, Chingleput. The amounts will be assigned according to the proficiency of the pupils as tested by their performances. Under rule XI (i) of the Reformatory School rules sanctioned in G.O., No. 599, Educational, dated 26th September 1898, such of the pupils as have passed the second standard in an industry shall be given a share not exceeding one-tenth of the value of the work turned out after deducting the cost of materials; and the Superintendent reports that the average amount thus earned by the best boys is about As. 10 per quarter. The pupils of the band class, however, cannot be given work money under this rule as they do not manufacture articles. It is, therefore, desirable that some means should be devised in order to enable them to earn work money like the other pupils in the school.

Memorandum No. 480, Educational, dated 6th September 1904.

With reference to his letter No. 5120, dated 11th August 1904, the Director is requested to be so good as to submit a re appropriation statement in duplicate showing how the extra expenditure involved in the proposal will be met.

(By Order.)

A. GALLETTI,
Ag. Asst. Secretary to Government.

To the Director of Public Instruction.

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated 15th November 1904, Ref. on Cur. No. 5120.

With reference to memorandum No. 480, Educational, dated 6th September 1904, I have the honour to state that mark money has for some years past been awarded to pupils of the band class in the Reformatory School, Chingleput, at As. 6 per quarter for each boy on an average, and that the late Superintendent, Lieutenant-Colonel J. C. Marsden, applied to me for the necessary sanction as soon as he was aware that the system had been introduced as a tentative measure and without proper authority. The Superintendent now reports that the charge has always been met

from the budget provision under "Mark money" and that the expenditure on this account amounted to Rs. 24-4-0 during 1903-1904. It will thus be seen that the charge is not a new one although it has not been expressly provided for in the budget. In these circumstances it appears to me that the submission of a reappropriation statement is not necessary.

ORDER—No. 744, Educational, dated 16th December 1904.

The Director's proposal is sanctioned.

2. The heading "Mark money" in the budget will be altered to "Badge, mark and work money".

[Memorandum No. 480, dated 6th September 1904.]

From the Director of Public Instruction, No. 5120, dated 15th November 1904.

In reply to the reference made to him the Director states that mark money has for some years past been awarded to pupils of the band class in the Reformatory school at six annas per quarter for each boy on an average, that it is reported that the charge has always been met from the budget provision under "mark money" and that the expenditure on this account amounted to Rs. 24-4-0 during 1903-1904. The Director, therefore, observes that the charge is not a new one and he thinks that the submission of a reappropriation statement is unnecessary, as the charge on account of the band class can be met from the budget provision for mark money.

2. As pointed out by the Director, the charge stated to have been incurred in paying mark money to pupils of the band class in the previous years appears to be unauthorized and it is too late now to do anything in the matter. The Superintendent of the School should, in the natural course of things, have addressed the Director on the subject of obtaining the sanction of Government and the Director should have sought the requisite sanction before the charge was incurred.

3. Coming to the question of cost involved, it is submitted that the strength of the band class at the end of 31st December 1903 was 17—*vide* paragraph 23 of the report of the Acting Superintendent of the Reformatory School for 1903 on page 5 of G.O., Nos. 291, 291A, Educational, dated 14th May 1904. Presuming that the maximum amount which each pupil earns as work money is six annas per quarter, the total cost involved in the proposal will amount to Rs. 25-8-0 per annum. If there be any decrease or increase in the strength of the class, the expenditure will correspondingly be lowered or raised. The charge cannot, therefore, remain a constant factor and will be a variable item. The Director proposes to meet this charge from the budget provision under "mark money" and therefore thinks that a reappropriation statement is not necessary. The point does not, however, appear to be free from doubt. As the work money which the Director now intends to pay is not mark money, as there seems to be some distinction between work money and mark money and as there is no specific budget provision under "work money," it would seem that under paragraph 2 of rule 87 of the budget rules a reappropriation statement is necessary. Financial may, however, be consulted u.o. on the point.

4. Submitted that in the light of the further information now furnished the Financial Department may be asked to accept the draft order. After the return of the file from that Department, the question may be considered whether the Director of Public Instruction is to be asked to submit the draft of a rule for the approval of Government for being inserted in the Reformatory School rules, which are now under revision.

N. LAKSHMANA RAO—21-11-04.

The Director says that 'work money' is always included under 'mark money' in the budget and that no reappropriation is therefore necessary. From Article XI clause (ii) of the rules of the school it will be observed that both mark and work moneys go together and are deposited in the Savings Bank. The Director's explanation for not submitting a reappropriation statement may be accepted and the draft order to which an addition has been made requesting the Director to submit a draft of the necessary alterations in the rules may issue.

He may perhaps be told to alter the head 'mark money' in the budget of the Reformatory School into 'mark and work money' in future budgets to avoid misapprehension.

V. KRISHNASWAMI—22-11-04.

Have the revised rules been printed yet? We had better make the alteration here before they issue.

A. GALLETTI—24-11-04.

The proof of the revised rules was received from the Press yesterday and is being examined. The alteration suggested will be made in it after the draft order has issued.

V. KRISHNASWAMI—24-11-04.

A. GALLETTI—25-11-04.

To the Financial Department for acceptance.

H. D. TAYLOR—28-11-04.

FINANCIAL DEPARTMENT.

As the budget estimate of charges under 22. EDUCATION is now with Financial, it is submitted that the word "will" may be substituted for the word "should" in paragraph 2 of the draft. The necessary alteration under 22-F. GOVERNMENT SCHOOLS, SPECIAL—*Reformatory School*, has been made in the budget now being examined.

2. Subject to the correction suggested the draft may be accepted.
