EDUCATIONAL DEPARTMENT.

C. No. 2111 From the Director of Public Instruction No. 1052, dated 2-12- 1904.

SUBJECT.

Building grant for the Anglo-Vernacular
School, Triplicane.

as required by Government in their order no. 511 Educational, dated 16th August 1904, the Director reports that the title of the manager of the Anglo-Vernacular School, Triplicane, to the building purchased for the School, is, on an examination of the title deeds, stated to by the Govt. Solicitor to be good and in order; and he adds that the Manager has also executed a declaration of trust to the effect that he holds the property as trustee of the said school.

2. As to the examination and Valuation of the building by the Consulting Architect, the Director evidently relies on the Valuation and Certificate given by him (the Consulting Architect) in May last ^{that} that the building was well worth Rs. 6,250; probably he did not consider it worth while to have the building in question re-examined and revalued subsequent to the receipt of G.O. no. 511 Educational, dated 16th August 1904.

3. The question then for consideration is whether the Consulting Architect's Valuation should be accepted and a third grant of Rs. 2083 recommended by the S.P.D. & sanctioned; or whether it is necessary that the C.A.'s Valuation should be subjected to scrutiny in the Public Works Secretariat. In the latter case the plan, which the accompan

the Director's letter no. 1052 of 8th August 1904 and which has not now been received, will have to be called for. Orders are however solicited.

The advice of the P.W.D. may be sought u-o.
