SUBJECT.

Submitting an application for aid towards the purchase of tools
required for the Board Technical Institute, Tinnevely.

BACK PAPERS.

FURTHER PAPERS

To

The Secretary to Government,
Educational
Local and Municipal Department.

Sir,

I have the honour to submit the enclosed application for aid towards the purchase of tools required for the use of the Board Technical Institute, Tinnevely and to recommend that, under Rule 125 of the Grant-in-Aid Code, a grant of Rs 753/ be sanctioned to be paid on submission of the necessary vouchers, if possible, before the close of the current official year.

2. The list of tools which it is now proposed to purchase has been carefully scrutinized by the Inspector of Technical Schools and has met with his approval.

3. The worn condition of the existing tools and the increased strength of the institution necessitate a fresh supply of tools.

I have the honour to be,

Sir,

Your most obedient servant,

S. Sathianathan
For Director of Public Instruction.

C. No. 2171, From the Secy. Govt. of Madras, Dated 13 Dec 1904.

Application for aid towards the purchase of tools required for the Govt. Technical Institute, Tinnevely.

The Secy. submits an application from the President, St. B., Tinnevely, for a grant-in-aid under Rule 125 of the Grant-in-aid Code of 1903, being the cost of the tools which it is proposed to purchase for the Govt. Technical Institute, Tinnevely. From columns 11 & 14 of the application it will be observed that the existing tools are all worn out & that their supply is inadequate. Col. 12 of the appl. shows that the Institute has hitherto not drawn any grant from prev. funds under the provisions of the Grant-in-aid Code on account of tools except a small sum of Rs. 58 which was sanctioned by the Secy. in March 1903. During 1903-04 the Institute net cost of the Institute the management was Rs. 4,495 (Col. 13 of the appl.). From page 12 of the Appendix Vol. II of the Public Inst. Report for 1903-04 it will further be observed that the strength of the Institute had risen from 51 on the 31 Mar. 1903 to 87 on the 31 Mar. 1904, that 43 of the latter were attending the Carpentry dept. & 29 the Blacksmith class & that the Institute is classed as a higher class industrial school. The working of the school has been favourably reported on by Mr. Chatterton & will be seen

p. 4 of the enclosed file.
