To

The Secretary to Government,

Educational Department.

Sir,

I have the honour to submit herewith a petition from two Pattani Muhammadans of Angadipuram named S. A. Ahmed Husein ^{sahib} and S. A. Sheik Moinudin Sahib praying that they may be allowed to appear for Special Test Examinations or that they may be exempted from passing the Upper Secondary Examination.

2. Ahmed Hosein is a clerk in the Waluvanad Taluk Office and Sheik Moinudin is a clerk in the Ernad Taluk Office. In G.O. No. 740 Educational dated 5th December 1902, these two petitioners were exempted from the Examination Rules so as to enable them to hold posts carrying salaries not exceeding Rs. 20. On the strength of this G.O. Ahmed Hosein applied to the Commissioner for Government Examinations to permit him to appear for the Special Tests; but the Secretary to the Commissioner informed the petitioner that the G.O. did not permit him to appear for any of the Special Tests.

(spcl test) 3. Under the Public service Notification published annually in the Fort Saint George Gazette those who have passed either Matriculation or Upper Secondary Examination are alone allowed to appear for Special Test Examinations. Both the petitioners have passed only the Lower Secondary Examination. I therefore request that the Government may be pleased to allow the petitioners to appear for such of the Special Test Examinations as are

-2-

open to Matriculates. The Special Assistant Collector in supporting the petitioners application points out "the desirability from the point of view of Government of having a leaven of Moplahs or other Muhammadans amidst the lump of "Brahmins and Nayars". I concur in this opinion.

I have the honour to be,

Sir,

Your most obedient servant,

A. K. S.
Collector.

K.A.S.

To,

The Special Assistant Collector
Malapuram District

Thrs:

The Tahsildars of Ernad and
Walanad

The humble petition of S. a. Shie
Moinudin 7th Clerk Ernad Taluk Office and E. a.
Ahamed Hossin 7th Clerk Walanad Taluk Office.
Most respectfully sheweth.

The petitioners through your honors kind
intercession were enabled to get exemption from the
examination rules so as to enable them to hold posts
carrying salaries not exceeding Rs 20 in the Malabar
District (Vide G. O n^o 740 dated 5th December 02)

On the strength of this G. O the
petitioners n^o 2 applied to the Commissioner for Government
Examinations to permit him to appear for the Examinations
and the petitioners n^o 2 have been permitted to do so.

o. quoted does not include permission to appear
any of the Special Tests (Vide copy of test. -
submitted herewith).

That the petitioners and their family
while thanking the benevolent Government for the
solicitude shown to the descendants of a father and
uncle who did meritorious services to Government
by exempting the petitioners from the Examination rules
by to submit that the intention of the petitioners' -
father and brother who were a Daffadar and Sub
Registrar respectively, was that the petitioners should
be educated till they passed higher examinations -
such as, I. A. and B. A. so as to enable them -
to hold higher appointments under Government by
passing all the necessary Special Test examinations.

But the petitioners were not fortunate
enough to enjoy the fulfillment of the intentions of
their dear relations as they passed away as soon
as the petitioners entered the school and in consequence
the petitioners were compelled to be satisfied with
the knowledge they acquired in and out of school.

Others can imagine of

and bettering their circumstances is by once a
drawing attention to the everlasting services which
they were fortunate enough to render to the Great
Government during their life time to prove which
possess testimonials and they are submitted herewith.

The petitioners beg to submit that
they are prepared to work hard and pass the
Special Test examinations if opportunity were for
them and respectfully beg to submit that if
benign Government were not pleased to grant
this concession the petitioners would be handicapped
in life and have to live and die in the present
hand to mouth condition.

Taking all the above circumstances
into your honor's kind consideration and after
perusing the testimonials attached the petitioners beg
humbly and respectfully to request that your honor
may be graciously pleased to interest your self
in on behalf once more and to obtain for them
permission to appear for the Special Test
examinations or examination.

To,

The Special Assistant Collector
Malapuram.

Sirs,

The Tahsildar, Walluvanad.

The humble petition of S. et. Ethamiah
Hossein Sahib and S. et. Shik Moimudin
Sahib of Perintalwanam amsam and Desam
in Walluvanad Taluk.

Most respectfully sheweth.

That the first petitioner is
at present acting 1st Clerk of the
Walluvanad Taluk and the 2nd petitioner
acting 2nd Sheroff of the same office.

That the petitioners have
both passed the Lower Secondary
examination. The first petitioner was in
service for the last 8 months and the
2nd petitioner for 2 months.

That the petitioners belong
to a respectable Musalman family which
has done loyal and Signal Service to
the Government. When the whole C. T.

illguided action of the fanatic moplas, the petitioners family was on the side of law and order and their uncle Rahimrausha Pattani was one of the eight gentlemen singled out by the then Collector Mr. Herbert Bradley as among those who rendered noticeable assistance to the authorities in connection with the Mopla outbreak of 1894. Pattikurup in Mannarghat.

That the petitioners' father was also a trusted servant of the state. When after the lamented murder of Mr. Canolly, it was the petitioners' father that accompanied, the then Sub Collector Mr. Collett, as his trusted man in the troublesome task of hunting down the miscreants. Their father also rendered signal service as a detective prior to the institution of the Police force, and in this capacity he earned the esteem and confidence of every European officer, under whom he had the good fortune to serve.

That the petitioners' father was the Duffadar of Walluvanad and was with their education

just begun. Their schooling was continued by their brother the late Muhammad Ghouse Sahib, Sub Registrar of Wandoor. Unfortunately for the petitioners this helping hand also was removed by the hand of death. The petitioners were therefore left helpless and though willing to continue their studies, pecuniary difficulties stood in the way.

The petitioners were happy enough to get a substitute for their deceased father and brother in your honor and the petitioners were given the present posts through your honor's kindness and statesmanly solicitude towards the Muhammadan loyal subjects of His Majesty.

The petitioners are disqualified by the present examination Rules in getting appointments carrying a salary of more than Rs 14. From the circumstances already set forth the petitioners will have to die in the inferior service unless specially exempted.

The petitioners' brother the late Muhammad Ghouse was the

16 13
examination in South Malabar and thus
set an example to his brothers Co-religionists.
Copies of testimonials obtained by the
family are herewith submitted.

Pray therefore that your
honor may be pleased, under the
circumstances, to recommend the case of
the petitioners to the Government for
exemption under the examination Rules.

For which act of kindness
and charity the petitioners shall as in
duty bound ever pray.

He agrees with the Special Assistant-Collector that it is desirable to have a leaven of Mappillas or other Muhammedans amidst the lump of Brahmmins & Nayers in the public service.

2. At present the applicants can hold only posts carrying salaries not exceeding Rs 20 per mensem and no special tests are required for these. But perhaps they intend coming up later on for further exemption. The question for consideration then is whether permission to appear for such of the special tests as are open to matriculates should be granted now or only after further exemption is given. If permission is now granted and if the applicants pass the tests there will be sufficient ground for further exemption. If permission is now granted the applicants may have also some chance of passing the tests before they are too old to study for examinations. The applicants desire
