The Chairman,

Municipal Council, Calicut

Sir,

With reference to Resolution of the M. Council
No. 607
9.12.03 I would suggest that the Kindergarten be
introduced into all elementary or Primary Schools
maintained by the Council; and that all Supervisors
of Municipal Elementary Schools be required to
qualify themselves in "Kindergarten". The Supervisors
should be required to instruct Teachers in those Schools
in Kindergarten and to see that the system is intro-
duced in the Schools.

This is essential for the advancement of elementary
education, that amusement should be combined
with the more solid part of instruction, to condemn
infants and the younger children to continuous work
in classrooms for four or five hours is
positive cruelty. They cannot go in
of cricket, hockey &c and they should be amused in
a gentle way by receiving object lessons, singing
and marching during breaks in the class work.

I would also suggest that female teachers be
gradually substituted for male teachers.

The little ones should be treated gently and
kindly and thus made to love and not hate
School work. The foundation is laid in infants
and primary schools.

For orders

W
In its order No 1400 L dated 5
November 1903, the Government published
for information and criticism a draft
rule in regard to the qualifications of
candidates for the post of Supervisors
of primary schools under Local Boards
and Municipal Councils, the ^{proposed} rule being
that "from and after the 1st July 1905
no person shall be appointed to the post
of Supervisor of primary schools unless
he has passed the 'Draft
Supervisors' Test' ". It was stated
this rule and any objections or suggestions
in regard thereto would be considered on or
after the 1st January 1904. No objections
or suggestions having been received by this

date, the draft rule was confirmed in
GO No 51 L dated 8 January 1904.

2. With the first of the letters read
above, the Chairman of the Masulipatnam
Municipal Council submits a copy of the
Council's resolution stating that it has
no objections or suggestions to offer. With
the second letter, the Chairman, Municipal
Council, Calicut forwards a copy of the
Council's resolution approving the suggestion
of Mr Henry, Principal of the Zamorin
College Calicut, that Supervisors of
Municipal primary schools should be
required to qualify themselves in "Kindergarten"
which is not one of the subjects prescribed for
the test in Rule 7 of the Rules framed
on page 4 of GO No 1400 L dated 5 November
1903. So far as the Local & Municipal
rule is concerned, this suggestion is out of
place as the rule
states that the primary schools super-
visors teach and not a qualification in
particular subjects shall be required of
candidates for the post of Supervisor of

Mr Henry suggests:-

1. That Kindergarten method be introduced into
Primary schools in Calicut
 2. That Supervisors be required to qualify
themselves in these methods
 3. That the supervisors train
the teachers in these methods.
- As to 1. Kindergarten occupations, stories & action
songs form an 'optional subject' in the

H/Cy 9

in the present curriculum - The Council
may see that this subject is chosen
As to 2. Supervisors will be required in future to
have undergone training which will include
some knowledge of kindergarten methods
As to 3. It is presumed open to the Council to
appoint well qualified men and a sufficient
number of them so that they may have time
to do this.

Too much stress seems to have been laid
on the 'Test' which is in itself a
minor matter as compared with the qualifications
necessary to admit a candidate to it.

Organized play will be well looked
after in the new curriculum for
the lower classes. Ag

The Director's notes correctly represent the
matter and we may concur in them. It does,

Of Calicut expects any reply in this case. A certain draft rule which ~~was~~ proposed to make under the District Municipalities and the Local Boards Act of 1884 was published for criticism and objections or suggestions ^{were} called for. The Municipal Council of Calicut submitted them but meanwhile the rule has been finally passed. The Council's letter may therefore be now simply recorded. Cus 103 in from the Metropolitan Council may also be read in the order.
