GOVERNMENT OF MADRAS.

## EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From W. S. MARRIS, Esq., Deputy Secretary to the Government of India, Home department (Education), to the Secretary to the Government of Madras, Educational department, dated Calcutta, 1st February 1904, No. 72.

I am directed to forward, for the information of the Governor in Council, a copy of a letter \* addressed to the Secretary of State for India, asking that the Government of India may be supplied with certain particulars regarding officers who are appointed to the Indian Educational Service. I am to request that, with the permission of His Excellency in Council, the Government of India may be furnished in future with similar information in the case of all officers who are appointed to the Indian Educational Service in the Madras Presidency.

## ENCLOSURE.

Despatch from the Government of India, Home department (Education), to the Right Honourable the Secretary of State for India, dated Simla, 12th November 1903, No. 15.

In connection with the appointments made in England to the Indian Educational Service, it has been brought to our notice that for several purposes it would be convenient if, when we are informed of such appointments, we could at the same time be furnished with particulars regarding the age of the officer selected, his places of education, university degrees, training (if any), experience, and any special qualifications. If this information could be regularly furnished to us, it would enable us to keep a complete and useful record of the qualifications of such officers.
