Sir,

Page 5, ct file

In reply to Memo No. 540 Educational dated 1st October 1904 I have the honour to report as follows:-

2. For the current financial year the teachers in the Government Girls' Schools have to be paid on the new scale from the beginning of the year or be paid upon the old scale throughout the year and receive results stipends at the end of it or be paid upon the old scale for a part of the year and receive a proportionate part of the result stipend.

3. In the Northern and Central Circles the first system is being adopted. If the scheme for the Southern Circle is sanctioned at any time during the year the same system may be adopted, but if it is not sanctioned the results stipends will be paid as usual.

4. The provision in the current Budget for the Central Circle is Rs 8911-8-0 and that for the Northern and Southern Circles Rs 23,000/, Rs 20,000/ having been already shown as probable savings.

5. There is also provision for results stipends in these schools shown in two sums of Rs 6,000/ and Rs 9,000/ giving a grand total of Rs 46,911-8-0.

6. Out of this Rs 7,293 may be spent in the Central Circle and Rs 20,400/ in the Northern Circle. I think it will be well to keep for the present Rs 7,000/ for the Southern Circle the bulk of which will be spent either upon the revised salaries or upon results stipends. In this case Rs 12,000/ may now be surrendered.

I have the honour to be,
Sir,
Your most obedient servant,

For Director of Public Instruction.
