The draft order may be accepted with the exception of para. 2 which is unnecessary, as sanctions to temporary appointments are not registered.

2. With reference to para. 3 of the note in Educational, it is submitted that the request of the Director of Public Instruction in para. 2 of his letter would appear to be that the necessary provision on account of the temporary reader now applied for may be made in the revised estimate for the current year in connection with the budget estimate for 1905-06 which was ^{before} ~~being~~ ~~sent~~ ~~with~~ by Govt. It does not appear to be the case that the Director requires provision to be made in the budget for 1905-06 for a similar temporary establishment. In any case it is submitted that the Educational department may be requested to ascertain and intimate to Financial &c. what exactly is required when communicating their order to this department.
