Inspection and Control of Schools in Coorg.

Approving the proposal of the Director of Public Instruction to entrust the — to the Inspector of European and Training schools, and making the consequential alterations in the rules for the guidance of officers of the Madras Educational department in the —.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—again the following papers :—

G.O., No. 222, Educational, dated 6th April 1904.

ABSTRACT.—Approving, subject to certain modifications, the rules for the inspection and control of Government schools in Coorg submitted by the Director of Public Instruction.

G.O., No. 519, Educational, dated 22nd August 1904.

ABSTRACT.—Abrogating rule 7 of the rules for the inspection and control of Government schools in Coorg approved in G.O., No. 222, Educational, dated 6th April 1904, and stating that the travelling allowance admissible to the Director of Public Instruction and the Inspecting officers of the Madras Educational department and their establishment while touring in Coorg will be debited to the Madras Provincial revenues.

READ—also the following paper :—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated 22nd December 1904, Ref. on Cur. No. 7589.

Under the rules sanctioned in G.O., No. 222, Educational, dated 6th April 1904, the control of the schools in Coorg is entrusted to three officers—the Inspector of Schools, Western Circle, the Inspectress of Girls' Schools, Southern Circle, and the Inspector of European and Training Schools. In a recent communication to the Commissioner of Coorg I brought to notice the waste of time and energy involved in the present arrangement and suggested that the whole inspection work in Coorg might suitably be entrusted to one officer, the Inspector of European and Training Schools. The Commissioner of Coorg fell in with my views and addressed the Chief Commissioner on the subject—please see extract from Mr. Davidson's letter enclosed. The Chief Commissioner having accepted the arrangement, I have the honour to request that the concurrence of the Madras Government may be obtained therein. I have selected the Inspector of European and Training Schools as he is obliged to visit Coorg for the Training School and can, upon the whole, better spare the time for the remaining work than the other officers. The proposal will entail a very considerable saving in travelling allowance and will give the other inspecting officers more time for visits to primary schools in their own circles which is very desirable.

The favour of early orders is requested as the inspection programmes for next year are being now drawn up.

A copy of the rules with the necessary changes made is submitted.

ENCLOSURE.

COPY of an extract from the letter of the Commissioner of Coorg, to the Secretary to the Chief Commissioner of Coorg, dated 8th December 1904, No. 1646.

In the same communication Dr. Bourne has invited attention to the waste of time and energy involved in the present arrangement in which the control of the schools in Coorg is entrusted to three officers—the Inspector of Schools, Western Circle, the Inspectress of Girls' Schools, Southern Circle, and the Inspector of European and Training Schools. He suggests that the whole inspection work in Coorg might suitably be entrusted to the last named officer.

The present incumbent of that post, Mr. J. H. Stone, already possesses some acquaintance with the Province having officiated for a considerable period as Inspector of Schools, Western Circle, and as I have already demi-officially intimated, the arrangement is one which appears to me to be in every way desirable. In a small Province like Coorg it is necessary to take a broad view of educational matters and the different classes of institutions act and react upon one another. An officer who is personally familiar with the conditions obtaining in all of them is in my judgment much better fitted for the management of each particular class. The Inspector of European and Training Schools will necessarily always be a European, a matter which is of some importance in the eyes of the Coorgs and there are no local conditions which would prevent him from exercising adequate supervision over girls' schools. The change which Dr. Bourne advocates is undoubtedly in the interests of the efficiency of the inspecting service in the Madras Presidency and in my opinion it is not less calculated to benefit Coorg. If the Chief Commissioner concurs in this conclusion I recommend that an expression of his concurrence may be intimated to the Director of Public Instruction and that steps may be taken in communication with the Madras Government to re-arrange the inspecting agency.

ORDER—No. 24, Educational, dated 18th January 1905.

The Director's proposal, which has been accepted by the Chief Commissioner, to entrust the control of the schools in Coorg to the Inspector of European and Training schools is approved. Consequential alterations are required in the rules issued with G.O., No. 222, Educational, dated 6th April 1904, for the guidance of officers of the Madras Educational Department in the inspection and control of Government schools in that Province. The rules have been accordingly revised and are printed as an appendix to this Order.

(True Extract.)

H. D. TAYLOR,
Ag. Secretary to Government.

To the Director of Public Instruction.
„ Accountant-General.

Exd. A. F. Eccleston.

[Appendix.]

APPENDIX.

Rules of the Inspection and Control of Government Schools in Coorg.

1. The Government schools in Coorg shall, for administrative and educational purposes, be placed under the Director of Public Instruction in Madras subject to the general control of the Chief Commissioner.

2. All Correspondence between the Inspecting officers of the Madras Educational Department and the Chief Commissioner of Coorg shall pass through the Director.

3. For the purposes of securing the general control of the Chief Commissioner it shall suffice if his orders are taken in regard to (a) the annual report, (b) the annual budget and modifications thereof requiring his sanction, (c) important changes in policy, and (d) the appointment and removal of the headmasters of the two secondary schools and the Training school. In regard to the details of the administration it shall be unnecessary to address the Chief Commissioner in the absence of a special requisition for information, but in order to secure that due weight is paid to local conditions, it shall be a rule of practice that communications between Educational officers stationed in the Province on the one hand and the Inspector or the Director of Public Instruction on the other hand, shall pass through the Commissioner of Coorg in all cases where the disposal of the matter in issue might be prejudiced if dealt with merely on the recommendation of subordinate officials.

NOTE.—Correspondence relating to accounts, discipline, internal management, routine and purely technical questions should ordinarily go direct to and from the Inspector, but in all matters where the Commissioner's local knowledge, whether in regard to personal questions or other matters, might be of service that officer should be given an opportunity of (a) expressing his opinion and (b) referring the question to the Chief Commissioner in cases where it is proposed to disregard his recommendation. See also rules 11 to 14 *infra*.

4. The inspection and examination of these schools shall vest in the Inspector of European and Training schools, Madras, and in the exercise of his duties he shall be assisted by the Sub-Assistant Inspector and the Supervisor of Primary schools stationed at Mercara and any other subordinate officer who may hereafter be authorized in that behalf by the Chief Commissioner.

5. All schools in Coorg except primary schools shall be inspected and examined by the Inspector, such assistance as he may require being rendered by the Sub-Assistant Inspector and the Supervisor of Primary schools.

6. The inspection and examination of primary schools shall devolve on the Sub-Assistant Inspector, aided by any subordinate officer duly authorized in that behalf. It shall, however, be the duty of the Inspector on his tours through Coorg himself to inspect and examine as many primary schools as practicable.

7. The travelling allowance admissible to the Director of Public Instruction, the Inspector and their establishment while touring in Coorg shall be debitable to the Madras revenues.

8. The general rules relating to the inspection and examination of schools embodied in the Madras Educational rules shall apply to the inspection and examination of schools in Coorg so far as they are not inconsistent with any orders issued by the Chief Commissioner.

9. Reports in the prescribed form detailing the results of visits of inspection and examination shall be submitted to the Director of Public Instruction through the Commissioner.

10. Communications from the heads of secondary and training schools shall be addressed to the Inspector, while the headmasters of primary schools shall communicate with the Sub-Assistant Inspector.

11. The appointment, dismissal, leave, transfer, removal and punishment of Government teachers and other Government servants on salaries not exceeding Rs. 30 per mensem shall vest in the Inspector, and in the Director of Public Instruction in all other cases except those of the headmasters of the two secondary schools and the training school in which instance the orders of the Chief Commissioner shall be taken. An appeal shall lie to the Director against all orders inflicting a punishment which are passed by the Inspector under this rule and to the Chief Commissioner against all such orders passed by the Director. Provided that in no case shall a second appeal lie.

At the close of each quarter a return of appointments, etc., made by the Inspector shall be furnished to the Director through the Commissioner and a similar return of appointments made by the Director shall be furnished to the Chief Commissioner through the same channel.

12. Contingent bills relating to the various Government schools and educational establishments in the province shall be passed on the countersignature of the Commissioner of Coorg.

13. The Inspector shall submit budget estimates of receipts and charges to the Director by the 15th of August each year, so as to enable that officer to prepare a consolidated budget to be forwarded to the Commissioner of Coorg not later than the 15th September for the purpose of incorporation in the general budget of the province. They shall be prepared in accordance with the instructions issued for the preparation of departmental budgets by the Director, subject to any special orders of the Chief Commissioner.

14. An annual report on the state and progress of education will be transmitted to the Commissioner of Coorg by the Director of Public Instruction not later than the 1st of July in each year for incorporation in the administration report of the Province. Such report shall be drawn up on the lines followed in the Educational section of the Provincial report for the preceding year, unless the Chief Commissioner directs any modification in form, and it shall rest with the Director to decide by whom such report shall be prepared.

NOTES CONNECTED WITH G.O., No. 24, EDUCATIONAL, DATED
18TH JANUARY 1905.

[SUBJECT.— *Certain modifications in the Rules for the Inspection and Control of
Schools in Coorg.*]

From the Director of Public Instruction, dated 22nd December 1904, No. 7589.

For orders as to whether the Director's proposal to entrust the control of schools in Coorg to the Inspector of European and Training schools may be approved and the consequential changes in the rules sanctioned in G.O., No. 222, Educational, dated 6th April 1904, carried out. The change made in rule 7 of the rules sanctioned in the Government order of 6th April 1904 in regard to the debit of the travelling allowances of the Director of Public Instruction, the inspecting staff and their establishment to Madras Revenues is in accordance with the orders of Government issued in G.O., No. 519, Educational, dated 22nd August 1904. The changes proposed to be made will be found on pages 7 and 8 of the current file.

The rules as revised seem to call for no remarks.
