FURTHER PAPERS

To

The Secretary to Government,

Educational ~~Department~~ Local and Municipal Department.

Sir,

Referring to para 8 of my letter Ref on

Cur No. 1413 of 03 dated 20th January 1904 read in G.O. No. 203 Educational dated 29th March 1904 I have the honour to request the sanction of Government to the permanent exemption from the operation of the examination rules with retrospective effect from 1st April 1904 of the undermentioned teachers of Government Girls' Schools in the Northern Circle:-

1. V.V. Chelapathi, 2nd Assistant, Government Hindu Girls' School, Suryarowpet.
2. T. Jagannadham Headmaster, Government Hindu Girls' School, Pittapur
3. M. Iswarappa, Headmaster, Government Girls' School, Anakapalli
4. A. Kanayya, Headmaster, Government Girls' School, Vetapalem.

The reasons for this recommendation will be found in the following extracts from the Inspectress' letter on the subject:-

"I beg you will allow me to strengthen my appeal by a short statement of the claims in each case.

1. Chelapathi sub proten Headmaster Government Girls' School, Bilipatan is recommended to be permanent Headmaster at Bimlipatan on a salary of Rs 20. He has had about 12 years' service. He held various posts at the Suryarowpet school from March 1892 to November 1898 and is said to have been mainly instrumental in raising the school from one of Lower Primary standard with about 40 pupils to one of Lower Secondary standard with about 140 pupils. He is known to have interested the leading men of the town in the school with the result that a

-2-

Music Fund was established and Music was introduced in the curriculum. In November 1898 he was appointed Sub proten Headmaster of the Bimlipatan school and has since been permitted to open a Lower secondary Department there.

2. Eswarappa sub proten Headmaster Government Girls' School, Peddapur at present acting Headmaster Anakapalli is recommended to be permanent Headmaster at Peddapur on a salary of Rs 20/. He has had over 11 years' service and has been for 3 years in charge of the Lower Secondary school at Peddapur. On looking up one or two of the recent reports I find that in 1901 there were 114 children present at Mrs. Brander's inspection and that she reported on the efficiency of the school as being "very fair" although the staff was insufficient. At my own inspection in 1902 there were 160 on the rolls of whom 154 were present. I was convinced that the Headmaster took a thorough interest in his work and was able to report satisfactorily.

3. Jagannadham acting headmaster of the Government Girls' School, Pittapur is recommended to be permanent on a salary of Rs 20/. This man has been in charge at Pittapur since 1894 and his record is good. He began with a Lower Primary school consisting of about 30 children; in 4 years' time recognition was accorded it as Lower Secondary and the number now on the rolls is about 120. He is held in great repute professionally by the townspeople and through his influence a gift of Rs 40 / is made annually from the Pittapur estate to the Prize Fund.

4. Kanayya sub proten headmaster of the Vetapalem school is recommended to be permanent on a salary of Rs 20. He has had over 12 years service for 9 of which he has worked at the Vetapalem school. He took a First class in the Middle School Examination and will appear for the Matriculation Examination this year; but I would not make the tenure of his post on the increased salary conditional on his success at the examination. His experience and success as a teacher outweigh mere examination qualifications."

The chances of getting any number of women

4-
teachers in the Telugu districts will be very small for years
to come and these men all appear to have been really successful
in girls' schools.

2. The necessary applications in the prescribed
form are submitted herewith.

I have the honour to be,

Sir,

Your most obedient servant,

S. S. Manadhar

Director of Public Instruction.
