Sir, I have the honour to inform you that I arrived here on the 16th ult., as arranged, and at once reported my arrival to Mr. Henderson, - who handed over to me the work I had come down for, which is progressing satisfactorily. -

In letter no. 32 E 10-1-05
I have not heard in reply to my last letter with reference to the length of time allowed for my halt in Madras, - I would mention, however, that I think it is probable I may be able to finish the work on or about the 4th prox. - Should I not hear in the meantime I shall conclude the Government desire that I should stay and finish the work before returning to Secunderabad. -

I beg to enclose my bill for travelling expenses, - including the allowance for both ways, - and request you will be so good as to pass the same, and authorise the payment of the amount to me. - It would be a great convenience to me if I could have the money by the end of the month. -

The bill for hotel & carriage allowances I shall ^{not} submit to you until I have finished the work & come to the end of my stay here.

Travelling allowance of Mr. Carey

The bill has been checked and is found correct. Mr. Carey may be asked to re-submit the bill in proper form omitting the item for return journey. A draft is submitted below for approval.

25/10/55 Page 158 of the Madras Railway Guide for October 1904 shows the distance from Salem ~~to~~ Railway station to the foot of the Ghats as 7 miles & that from the foot of the Ghats to Yercaud as another 7 miles. The distance from Yercaud to W. Carey's house is not known. ~~The distance~~ From his bill it would seem to be 7 miles. It does not appear that this can be correct. If anything has to be said about it the draft will require slight alteration. Another aspect of the bill is all right.
