To

The Secretary to Government,

Educational Local and Municipal Department.

Sir,

In reply to Memorandum No. 610 Educational dated 21st November I have the honour to report as follows:-

- (i) There are at present ten permanent members in the Vaishnava Hostel.
- (ii) The present manager's pay has been fixed by the Superintendent at Rs 10 per mensem from 1st September 1904. He is paid from the hostel funds.
- (iii) The former second clerk of the Teachers' College who has been transferred to the Rajahmundry College was performing the duties of manager.
- (iv) The Principal thinks that it will be impossible to get for Rs 10 a month an outsider who has passed a University Examination. The Principal considers this a very necessary qualification as the members of the hostel are all educated teachers over whom the Manager has to exercise a certain amount of control and for whose behaviour out of college hours he is to some extent responsible.

Sir,

C. No. 1894 From the D. P. 2

No. 6729, dated 26-10-1904.

SUBJECT.

Remuneration for a clerk of the Teachers College for doing the duties of the manager of the Vaishnava Hostel attached to it.

How many students are there in the hostel? Has any pay been fixed and sanctioned for the post of manager of the hostel? Who has been discharging the duties before? Cannot a separate manager be obtained? I do not like these allowances.

From para: 26 on page 5 of G.O. no. 377 Est. of 17th June 1904, it will be seen that there were only 12 students in the Vaishnava Hostel. No information is available in the Office with regard to the other points raised by the Secretary. A draft memo: to the Director is accordingly submitted below for approval.

Ans. The other queries are answered below:-
No pay is fixed for the post of manager of the hostel. It is fixed by the hostel Committee with reference to the strength & the financial condition of the hostel, which is supported by the fees received from the students. It is not known who was managing the hostel before.

but it is understood that one of the members of the Committee who is an Asst. in the Teachers' College is managing the whole business without remuneration as the financial condition of the hostel last year did not permit of any allowance being given to the manager.

It may be difficult to secure a separate manager for the small boy proposed. However a person unconnected with the college may not be able to exercise ^{the same} control over the students as a clerk in an Asst. of the College, who is in touch with the Principal & the Vice-Prin., can do. Of course, there is the risk in the present arrangement of the clerk's paying too much attention to the hostel work to the detriment of his legitimate duties.

9-11-04 ^{broers} are requested as to whether the Asst. means may be.

[memo: no. 610 of 21-11-04].

from the D.P.O. no. 6729 of 9-12-04

The Director's reply to memo: no. 610 of 21-11-04 will be found on page 5 of the current file. The Principal of the Teachers' College considers that, as the members of the hostel are all Educated Teachers over whom the manager has to exercise a certain amount of control and for whose behaviour out of college hours he is to some extent responsible, he should be one who has passed a University

University examination and that for Rs. 10 a month it will be impossible to get an outsider with this [necessary] qualification. For orders as to whether, in these circumstances, the draft placed below may now be approved.

The Govt. of India in para. 3 of their letter No. 7542 Ex., dt 2nd Decr. 1904, say that the question of formulating special rules for the receipt of fees from private sources by officers of the educational service is under consideration and that a separate communication will be made on the subject. At the same time they lay down ^{in para. 2 of the same letter} the general principles which should regulate the receipt of recurring fees by public servants from private sources. Under the principles laid down a local Govt. may sanction a recurring payment provided that the salary of the recipient does not exceed Rs 250 a month, or will not by such payment be raised above that figure, and ^{provided} that it is borne in mind that the whole time of an officer must be held to be paid for by the State and that additional allowances from foreign sources are justifiable only in exceptional and casual cases. The clerk's pay is ~~only~~ Rs 15-1/2-20 and it is proposed to allow him to accept Rs 10 for the hostel

work. The circumstances are reported to be exceptional. There would therefore appear to be no objection to the allowance proposed being sanctioned subject to any further orders that may be passed by the Govt. of India.

The orders which the Govt of India intend to issue will not, it is thought, cover a case like the present but will refer to fees for tuition from private sources. The present case may, under India's orders, be treated as special for the reasons given in the Director's letter No. 6729 of 9th December 1904
