Brahma Mīmāṃsai Appathana
Sastriah. —

He comes of a well known family
of pandits. His father was the great
Mīmāṃsai Kuppaswami Sastriah
the late Palace Almoner of the
Pudukota Durbar. Pandit Appatha-
ra Sastriah is a good scholar
in (Mīmāṃsai) philosophy, Tarkam
logic and (Srautam) relating to
the hymns composed in the Brahmanic
period and he has been the
sole examiner (in Mīmāṃsai)
appointed by the Rajah of Pudukota
to examine the pandits appearing
for the Sambhavana Examination
during the Durbar. He was for
4 years, the Chief Professor of
Philosophy in the Sanskrit College
Pudukota while I was the
Superintendent of that insti-
tution. He is a native of the
Tanjore District and owing to
unexpected circumstances during
the prolonged illness of his father,
he had to resign his appointment
in that state. He was, after his
father's death, employed as the
pandit attendant on the late
Sir A. Seshiah Sastriah K.C.S.I.
during at Kumbhakonam. The
late Sir A. Seshiah Sastriah K.C.S.I.
recommended this pandit to me
as being fit to help in the inspection
of Sanskrit schools.

2. Having had to participate in
the conduct of the examination of
Pandits in different branches of
Sanskrit Learning for 20 years,
he possesses a general acquaintance
with many of the works (advanced), has
largely read in the Sanskrit
schools (Pathshalas). He still receives
an annuity of Rs. 15 for his proficiency
in Philosophy and continues an

Board of the Padakota Darbar.
He knows Devanagari, Pancha,
Telugu and Tamil Characters
and I look up to him to help
me in Correcting Dictation,
Translation and Composition
of the several classes and in
examining the home-exercises
and handwriting of the students
of the several pathshalas in
the course of my inspection.
He shall also help me in
examining the students in
advanced works of Logic and
philosophy. He shall prepare
^{family} in Sanskrit language some model
question-papers under my
direction - with a view to
direct the study of Sanskrit
on intelligent lines. Many
of the references received from
the managers of Sanskrit schools
are in Vernacular and the
Pandit clerk shall sort and
keep the files. I need hardly add
that some pandits send up their
references in Sanskrit. He shall
check the monthly returns and
references received from the
Headmaster Pandits of the L.T.
Sanskrit school (L.T. Sanskrit
School, Tiruvadi, Kalladaikkurichi
Tirukkunungudi and Alaywathi
vanagari) and issue Circulars
in Vernacular (Tamil) under my
instructions for regulating the
progress and study of the students.
He shall also keep the correct files
of the many references in Vernacular
received from the managers of the aided
and unaided Sanskrit schools.
He shall also have to scrutinize
and modify the 50 question-papers
for advanced works of Logic, literature
and philosophy prepared by the
Board of Examiners for the Annual
Comparative Examination of the
Aided Schools.

Submitted with reference to a conversation
on Saturday 11th

What is wanted is a Pandit. The
sub-assistant undertakes to do his
own clerical work. The post is
called 'clerk'.

This man is doubtless very suitable
and no untrickster is in the least
degree likely to be suitable.

This man would of course never
be employed in any other capacity
unless he were some day promoted
on to the staff of the Oriental
Library

His qualifications for the post are
altogether superior to any prescribed
by the general rule and I should
have thought that this was
exactly a suitable case for

The Director complains to me that this individual has not received the exemption which is necessary to his employment nominally as 'clerk' - really as *parit*.

The papers are submitted. I refused the exemption on the general ground that exemptions in respect of clerical posts in the Educational Department are undesirable. The individual may now be exempted.
