GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—again the following paper:—

G.O., No. 700, Educational, dated 28th November 1904.

ABSTRACT.—Informing the Director of Public Instruction that certain concessions have been granted by the Government of India to teachers attending training institutions.

READ—also the following papers:—

From J. B. WINGATE, Esq., I.C.S., Secretary to the Government of Burma, General Department, to the Secretary to the Government of India, Home Department, dated the 12th July 1904, No. 398—1E-56.

I am directed to submit, for the orders of the Government of India, a copy of a letter No. 2319—7E-4, dated the 17th June 1904, from the Director of Public Instruction, Burma, together with an endorsement No. T.B.—Moul.-58, dated the 29th June 1904, by the Accountant-General, Burma, regarding the question of the payment of travelling allowances to students selected for education at a normal school and to solicit the favour of a ruling on the point raised.

2. I am to submit that the practice of granting travelling allowances to private students has been in force for a long time; the privilege seems to be a legitimate concession as an encouragement to youths to undergo a course of training and the Lieutenant-Governor recommends that it should not be withdrawn.

From JOHN VANSOMEREN POPE, Esq., M.A., Director of Public Instruction, Burma, to the Secretary to the Government of Burma (through the Accountant-General, Burma), dated the 17th June 1904, No. 2319—7E-4.

With reference to your General Department letter No. 818—5B-4, dated the 27th May 1904, I have the honour to point out that under article 1083, exemption (a), I, normal students have been given travelling allowance for joining a normal school; but that under revised article 1083, rule I, exception (a), this privilege seems to be excluded, and the Accountant-General in his letter No. T.B.—Moul.-9, dated the 19th April 1904, points out that the sanction of the Government of India is necessary. I do not see any reason for the withdrawal of this privilege nor was I consulted as to its retention or abolition. As the lads have all joined under the promise of getting this travelling allowance (*vide* Code, Chapter VIII, paragraph 8 (k), page 150), I ask that His Honour the Lieutenant-Governor may be pleased to continue this privilege and be good enough to obtain the necessary sanction of the Government of India.

Endorsement by the Accountant-General, Burma, No. T.B.—Moul.-58, dated the 29th June 1904.

Submitted to Government.

2. Under rule I, article 1083 of the Civil Service Regulations, before correction, the Local Government was competent to sanction travelling allowance to a student selected for education at a normal school for the journey to the school. As the rule now stands, the concession is admissible to teachers, that is presumably to persons already in Government service at the time of the journey (*vide* also the word *subordinate*

in the article as it now stands) but not to persons joining the normal school from private employ. This office is unaware of the particular reasons which led to the modification in the regulations.

3. The sanction of the Government of India is required to the proposal put forward by the Director of Public Instruction.

4. A sum of Rs. 168-1-6 drawn on account of travelling allowance of students for the journey to the Normal School, Moulmein, is held under objection in the books of this office for want of sanction of the Government of India.

From R. NATHAN, Esq., C.I.E., Deputy Secretary to the Government of India, Home Department, to the Secretary to the Government of Burma, General Department, dated the 14th October 1904, No. 861.

I am directed to refer to your letter No. 398—1E-56, dated the 12th July 1904, in which His Honour the Lieutenant-Governor recommends that the existing rule, under which students selected for education at a normal school are granted travelling allowance for the journey to the school, should be maintained.

2. I am to say that the Government of India agree that the existing concession should not be withdrawn, and they sanction its retention. The Governor-General in Council is of opinion that the Civil Service Regulations do not appear to be an appropriate place for rules relating to the travelling allowance of private students, and it is therefore proposed to omit all reference to them in the statement of exceptions appended to article 1083 of those regulations.
