ORDER—No. 99, dated 18th February 1905.

The Government of India will be addressed.

(True Extract.)

H. D. TAYLOR,
Ag. Secretary to Government.

LETTER—from H. D. TAYLOR, Esq., I.C.S., Acting Secretary to the Government of Madras, Educational Department, to the Secretary to the Government of India, Military Department, dated 18th February 1905, No. 100.

I am directed to address you on the subject of the continuance to the Committee of the Lawrence Asylum at Ootacamund of the grants from Military funds formerly paid to the Madras Military Female Orphan Asylum.

2. Shortly after the foundation in 1858 of the Lawrence Asylum at Lovedale on the Nilgiris a proposal was made by the Governors of the Military Male and Female Orphan Asylums at Madras for the amalgamation of their asylums with that institution. This proposal was approved by this Government and by the Secretary of State in his despatch No. 4, dated 25th February 1863. The preparation of plans and estimates for the required buildings at Lovedale was then ordered and on the completion of the buildings for the accommodation of the boys of the Military Male Orphan Asylum the amalgamation of that institution with the Lawrence Asylum was carried out in 1871. But owing to the large sums which had been expended on the buildings for the boys, the Government were at the time unable to proceed with the construction of the accommodation required for the girls of the Military Female Orphan Asylum. The scheme of amalgamation which had been decided upon in 1863 was thus only partially carried out.

3. While things were in this state an opportunity offered itself last year for carrying the amalgamation to completion. An institution known as the Civil Orphan Asylums founded in 1807 for the education and maintenance of European children of non-military parentage was about to be dispossessed of its premises in order to make room for the extension of the South Indian Railway Station at Egmore. It was then suggested that if the long contemplated amalgamation of the Military Female Orphan Asylum with the Lawrence Asylum could be carried out the Civil Orphan Asylums might take over the buildings thus left vacant. The governing bodies of the several institutions interested were accordingly requested in July 1903 to confer on the proposed arrangement and after lengthy negotiations substantial agreement was arrived at between them. The additional accommodation required at Lovedale was provided at the cost of this Government and the amalgamation effected on the 1st of October last.

4. The terms of the amalgamation will be found in the scheme for the management of the properties formerly vested in the Governors of the Madras Military Female Orphan Asylum forming an annexure to the notification vesting the properties in the Treasurer of Charitable Endowments for Madras. A copy of this notification and of its annexure is enclosed.

5. Under the arrangements effected, the Committee of the Lawrence Asylum, out of the interest on the Government securities and debentures formerly held by the Governors of the Military Female Orphan Asylum and in conjunction with all grants or funds which were formerly paid to those Governors and which may in future be paid to the said Committee, has to maintain and educate as many girls to the maximum number of 100 belonging to the classes eligible for admission to the Lawrence Asylum as are from time to time available for such maintenance and education. The Controller of Military Accounts, Secunderabad Division, however, now applies for the specific orders of the Government of India authorizing him to pay the Committee of the Lawrence Asylum under the scheme all those grants which he was formerly paying the

Governors of the Military Female Orphan Asylum. I am accordingly to request that the Government of India will be pleased to authorize the Controller accordingly. The grants in question are—

(1) the donation interest of Rs. 10,733-12-0 sanctioned in the Secretary of State's despatch No. 435 (Military Fund), dated 9th November 1876, forwarded with Mr. Barbour's endorsement No. 3317, of the 28th December 1876;

(2) the usual capitation grant of Rs. 5 per girl *per mensem*; and

(3) the grant of Rs. 275 *per mensem* for general funds.

Submitted that the sanction of the Government of India in the Military Department has not been obtained for the continuance to the Committee of the Lawrence Asylum at Ootacamund of all grants or funds formerly paid to the Madras Military Female Orphan Asylum. The grants payable by the Pay Examiner are—

(1) The donation interest of Rs. 10,733.

(2) The capitation grant of Rs. 5 per girl per mensem.

(3) The grant of Rs. 275 per mensem for general funds.

Please see the copy of the budget of the Military Female Orphan Asylum put up.

It was, I believe, thought better that India should know nothing officially about the amalgamation till it was all settled. Correspondence with India would have delayed matters. India have power to knock the scheme on the head now if they want to under the general powers of control given them by the Charitable Endowments Act.

A. Galletti—15-2-05.

For approval.

2. I do not think that India are likely to object, but it would perhaps have been better to have obtained their formal consent as soon as the scheme was settled.
