SUBJECT.
Employment of two temporary assistant demonstrators for the classes of bacteriology & practical hygiene at the Medical College.

If the Director's request for the employment of two temporary assistant demonstrators on a salary of Rs. 30 each per mensem for the classes of bacteriology & practical hygiene at the Medical College is sanctioned, the draft placed below may issue with the concurrence of Financial. The re-appropriation Statement has to be sanctioned in Financial.

2. The appointment of these assistant demonstrators is apparently intended to last for a month only: otherwise the Director would have entered in the reappropriation Statement for this purpose a larger amount than Rs. 60.

RAO 3/2/05

The Director says that the Demonstrators are required for the whole of the Spring term. That term commences on 1st January & terminates about the 31st of March. But additional allotment is required for only one month. The following telephone message may be sent:-

"Please see your letter No 12 of the 24th January 1905. Sir, I am to say that the Demonstrators proposed therein are required for the whole of the Spring term. That term extends over three months but re-appropriation is proposed to meet pay of demonstrators for only one month. How will the balance required be met."

Reference your telephonic message of this date.

The remuneration Rs. 30 proposed for each of the assistant demonstrators is for the whole term & not for each month of that term. The total charge for the term is thus Rs. 60 only.

From the telephonic message from the D.P.I. on page 2 of the note file, it will be seen that the remuneration of Rs. 30 proposed for each of the assistant-demonstrators is for the whole of the Spring term & not for each month as understood by this office.

2. Then the draft placed below may issue with the Concurrence of Financial, if the D.P.I's proposal is approved. The necessary entry has been made in the proforma Statement so as to make the meaning quite clear.

What about budget provision for 1905-6?

Cml 8.2.05

No provision has been made in the Medical College budget for 1905-6 on account of the assistant demonstrators now proposed to be sanctioned. As the extra cost involved during 1905-1906 is only Rs. 60, the amount can easily be met by re-appropriation.

2. The draft order may, it is submitted, be accepted.
