To

The Secretary to Government,
Educational Department.

Sir,

A With my endorsement Ref on Cur No. 6078/04 dated 18th October 1904 I submitted with my recommendation Mr. Mark Hunter's application for leave on medical certificate from the 9th November and for permission to combine it with the summer vacation of the Rajahmundry College for 1905 but he was granted in the Gazette Notification No. 37 dated 8th November 1904 furlough on medical certificate for the full period of 8 months including the college vacation under Article 308 (a) of the Civil Service Regulations. Mr. Hunter now requests in a D.O. letter to me that he may be allowed the benefit of the ensuing vacation and be permitted to return to duty on the forenoon of 3rd July next, the date of reopening of the College. From the enclosed copy of letter from the Accountant-General No. G. 1325/12188 dated 4th instant it will be observed that Government can permit Mr. Hunter to combine his leave with the College vacation provided he returns to duty on the 3rd July and Mr. Allen the acting Principal reverts to the Presidency College immediately before the vacation of the Rajahmundry College and relieves Mr. Probyn so that there may be no extra cost to Government. As such an arrangement will enable Mr. Hunter to draw full pay for the vacation instead of his leave allowance and will in no way be inconvenient to the Department I have the honour to suggest that Mr. Mark Hunter's request be complied with and that the orders of Government be notified to me at an early date for communication to Mr. Hunter in

England.

I have the honour to be,
Sir,
Your most obedient servant;

E. Sabharwal
Director of public Instruction.

"In reply to your letter No. 10598 Of 04 dated 27th
January 1905 I have the honour to state that there is no
objection to Mr. Mark Hunter being permitted to return to duty
before noon on 3rd July 1905 the date of re-opening of the
Rajahmundry College after the next summer vacation, Mr. Allen
the acting Principal reverting to the presidency College
immediately before the vacation. The permission cannot however
be granted without the previous sanction of Government as the
arrangement involves the amendment of the notification granting
him 8 months leave on medical certificate so as to give him
combined sick leave and vacation under Article 277 Civil Service
Regulations."

C. No. 260 From the D.P.I.

No. 10598, dated 13-2-1905.

SUBJECT. Mr. Mark Hunter's leave.

In G.O. R. no. 534 Edl dated 8th Nov. 1904 Mr. Mark Hunter was granted leave on medical certificate for eight months with effect apparently from the 9th Nov. 1904 which is the date of commencement ^{of leave} as given in his application. He is therefore due on the 9th July 1905. He now requests that he may be permitted to return to duty on the 3rd July 1905, the date of reopening of the College after the summer vacation and to combine the vacation with his leave. The D.P.I. supports Mr. Mark Hunter's request and the A.G. says it can be granted.

Orders are solicited.

The locum tenens will have ^{forgo} to (refund) his acting allowance for the vacation? who is the locum tenens?

M. 18.2.05

Submitted that there is no question of refund. The locum tenens will not draw any acting allowance. The locum tenens is Mr. Allen on whose reversion to the Presidency College Mr. Probyn will sever his connection.

The date of Commencement of leave is not shown in the civil list.

By not getting acting allowance.

18/2/5 Yes, I suppose the Act^t Gen^l in his u.o. remarks on the acting allowance of the leave times on p. 30 of K.W. to G.O. 534 assumed that a member of the Provincial Service would be appointed to act⁺. A member of the Prov^l Service would have been entitled to an acting allowance, but Mr. Allen gets his Rs. 4,000 per mensem and no more wherever he happens to be posted. 18.2.5

u/b. 534 of 8.11.01. Mr. Hunter took continued leave on reduced certificate for eight months.

Before returning to duty Mr. Hunter must obtain a medical certificate as to his fitness for duty, i.e. it is submitted that any application to cancel a portion of the leave is, in the absence of such a certificate, premature.
