### Concessions to Teachers under Training.

Informing the Director of Public Instruction that the statement in clause (1) of G.O., No. 700, Educational, dated 28th November 1904, that a person acting for a teacher under training will also draw a minimum pay of Rs. 10 is governed by the proviso to the clause that in no case will the total emoluments of the *locum tenens* of a teacher exceed the permanent pay of the post.

## GOVERNMENT OF MADRAS.

## EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated 5th January 1905, Ref. on Cur. No. 10170.

With reference to G.O., No. 700, Educational, dated 28th November 1904, containing concessions to teachers attending training institutions, I have the honour to state that, as the order now stands, no alteration appears necessary in rule 97 of the Educational Rules. The proviso that "in no case will the total emoluments of any teacher or his *locum tenens* exceed the permanent pay of the post" appears to prevent any teacher's total emoluments while under training being raised to Rs. 10 if his pay was less than Rs. 10.

2. I fail to see the necessity for any mention of a sum of Rs. 10 so far as the teacher under training is concerned.

3. The statement that a person acting for a teacher under training will "also" draw a minimum pay of Rs. 10 implies that an acting incumbent will in no case draw less than Rs. 10, but the last sentence in the clause reduces his emoluments to the pay of the post, should that be less than Rs. 10. I have the honour to request instructions as to the intention of Government in this matter.

4. I further submit that it is not clear whether the order conveys instructions or permission to the Director, President or Chairman, as the case may be, to pay Rs. 10 to a *locum tenens* or even the full permanent pay of the post.

5. In any case it is not, I presume, necessary to include the provision with regard to the pay of the *locum tenens* in the Educational Rules which refer to teachers under training.

6. Rule 98 does not seem to require any alteration.

7. The following new rule should be inserted between rules 97 and 98 :—

*Time spent under training.*

Teachers in Provincial or Local or Municipal employment will, while under training, be treated as detached from their regular appointments but still in the service.

The period spent under training will qualify for earning increments of salary but not for earning further leave: it will not cancel any leave already earned.

ORDER—No. 151, Educational, dated 13th March 1905.

The Director is informed that the statement in clause (1) of G.O., No. 700, Educational, dated 28th November 1904, that a person acting for a teacher under training will also draw a minimum pay of Rs. 10 is governed by the proviso to the

clause that in no case will the total emoluments of the *locum tenens* of a teacher exceed the permanent pay of the post. The orders contained in this clause are only permissive.

2. The necessary additions have been made to the Educational Rules with reference to the concluding portion of the Director's letter.

NOTES CONNECTED WITH G.O., No. 151, EDUCATIONAL, DATED  
13TH MARCH 1905.

[SUBJECT.—*Concessions to Native Teachers under Training.*]

*From the Director of Public Instruction, dated 5th January 1905, No. 10170.*

In their letter No. 890, Educational, dated 31st October 1904, the Government of India sanctioned certain concessions to native teachers permitted to attend training institutions. While communicating to the Director of Public Instruction, the substance of the letter from the Government of India, this Government requested the Director of Public Instruction, in paragraph 2 of their order No. 700, Educational, dated 28th November 1904, to submit a draft of the consequential alterations in the Educational Rules under revision.

2. The Director of Public Instruction in submitting his draft of the alterations, states that rules 97 and 98 of the Educational Rules as they stand in the proposed revised edition require no alteration, but that a new rule as follows may be inserted between rules 97 and 98 :—

*Time spent under training.*

"Teachers in Provincial or Local or Municipal employment will, while under training, be treated as detached from their regular appointments but still in the service."

"The period spent under training will qualify for earning increments of salary but not for earning further leave; it will not cancel any leave already earned."

3. In regard to rule 97, the Director says :

(1) that the proviso that in no case will the total emoluments of any teacher or his *locum tenens* exceed the permanent pay of the post appears to prevent any teacher's total emoluments while under training being raised to Rs. 10 if his pay was less than Rs. 10.

But it is submitted that rule 97 as it now stands contains only so much of the proviso—laid down in paragraph (1) of G.O., No. 700, Educational, dated 28th November 1904—as relates to teachers under training. As regards *locum tenens*, the Director thinks that rules regarding their pay should not go into the Educational Rules which provide only for teachers under training.

(2) That there is no necessity for any mention of Rs. 10 as proposed in paragraph 1 (1) of G.O., No. 700, Educational, dated 28th November 1904, even in regard to teachers under training.

4. The Director also asks for clear instructions as to—

(3) Whether under paragraph 1 (1) of G.O., No. 700, Educational, dated 28th November 1904, a person acting for a teacher under training should be paid a minimum pay of Rs. 10 or only the pay of the appointment should that be less than Rs. 10. Apparently the latter, it is submitted.

(4) Whether the order conveys instructions or only permission to pay the *locum tenens* Rs. 10 or the full permanent pay of the post. Here also it seems to be the latter that is intended.

5. The Educational Rules as revised in the office with reference to the orders passed thereon as well as to G.O., No. 700, Educational, dated 28th November 1904, are now with the Assistant Secretary.

P. T. THARYAN—12-1-05.

See page 77 of the proof of the rules in which I have entered the alterations which seem necessary. If Secretary approves order may issue saying alterations have been carried out.

H. D. TAYLOR.

2. Director's point (3): The rule is governed by the proviso.

H. D. TAYLOR.

3. Director's point (4): The order is permissive.

4. Submitted that order as above may issue. Also that the revised rules may issue at once. Honourable Member need not be troubled with this detail.

A. GALLETT—14-2-05.

Approved.

H. D. TAYLOR—21-2-05.

The final proof of the Educational Rules has gone to the Director of Public Instruction for acceptance or remarks.

2. The draft placed below may issue.
