FURTHER PAPERS.

Name, age and educational qualifications of the unpassed candidate for whose employment sanction is sought.	1	C.R. Gopalswami Raju Age: 21 years. Possesses no general Educational qualifications but has qualified himself for technical teachers' certificate in drawing.
The post in which it is proposed to employ him and nature of the appointment, i.e., whether acting or sub. <i>pro tem.</i> , or temporary. Also pay of the post and the pay to be given to the unpassed candidate.	2	Drawing Master Sub <i>pro tem.</i> Pay of the post Rs 15/ Salary proposed to be given to the candidate. Rs 15/
The period for which the appointment is expected to last.	3	Permanent vacancy
The period for which sanction is now sought (with dates of commencement and of termination).	4	one year from 19th December 1904
Is this a first application or one for a renewal of a previous sanction? In the latter case quote the previous order granting sanction, and state for how long the candidate has been already exempted.	5	Renewal of a previous sanction for 3 months granted by the Director from 19 September 1904.
What steps have been taken to procure the services of a passed candidate and with what result.	6	It appears to be impossible to procure the services of a passed candidate who possesses as well the requisite technical qualifications for the drawing master's post on such a small pay as Rs 15. During the year 1904 the appointment of drawing master in the school changed hands, the pay is insufficient to attract and retain the services of a suitable candidate. The present incumbent was at first exempted by the Director for 3 months and as he is reported to have done well during that period his further exemption for a year is recommended. If his work continues to be satisfactory he may be confirmed in his appointment and exempted permanently from the general education test. If appointment of a qualified candidate is considered necessary the pay of the post will, I think, have to be raised.
