GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—again the following paper:—

G.O., No. 730, Educational, dated 13th December 1904.

ABSTRACT.—Declining to sanction the proposal for increasing the rate of remuneration at present paid to the members of the Board of Examiners of the Medical College and for strengthening the Board by the appointment of a fourth member.

READ—also the following paper:—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated 2nd March 1905, Ref. on Cur. No. 7919 of 1903.

Referring to G.O., No. 730, Educational, dated 13th December 1904, I have the honour to state that the President of the Board of Examiners of the Medical College reports (i) that, although the bulk of the clerical work occurs chiefly at the time of the examinations, the services of a clerk are required all through the year on account of the more or less heavy correspondence work on various subjects both before and after the examinations, (ii) that he could not count upon having the same man if a clerk were to be employed for only portions of a year, while each new clerk will have to be taught his work, and (iii) that for these reasons he would prefer to be given a "clerical" allowance of Rs. 15 per mensem throughout the year and to be permitted to make his own arrangements as regards the appointment of the clerk. The Principal of the Medical College is in favour of this proposal, and as it may be the most convenient plan I beg to recommend that it be sanctioned with effect from the 1st March 1905. The charge can be met from savings likely to accrue during next year in the budget allotment for the Medical College and schools. A reappropriation statement will be submitted on receipt of the sanctioned budget for 1905-1906.

ORDER—No. 163, Educational, dated 21st March 1905.

The proposal to pay a clerical allowance to the President of the Board of Examiners cannot be approved. If clerical assistance is needed, a clerk should be specifically appointed for such time as his services are actually required. The Director of Public Instruction is requested to submit the necessary proposition and reappropriation statements.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 163, EDUCATIONAL, DATED
21st MARCH 1905.

[SUBJECT.—Board of Examiners, Medical College.]

From the Director of Public Instruction, dated 2nd March 1905, R.C. No. 7919.

In G.O., No. 730, Educational, dated 13th December 1904, it was stated that the Government would be prepared to sanction the employment of a clerk to help the President of the Board of Examiners, Medical College, in his office work, on receipt of the usual proposition and reappropriation statements with full particulars as to the period for which the clerk would be required each year and the pay that should be attached to the post. It was also stated that the appointment would not be pensionable.

2. Now the Director submits with his recommendation the proposal of the President that he should be granted a clerical allowance of Rs. 15 per mensem throughout the year with which he could make his own arrangements as regards the appointment of the clerk. The Director thinks this to be the most convenient arrangement and says that the charge can be met from savings likely to accrue during next year in the Medical College budget for 1905-1906.

For orders as to whether the proposal may be sanctioned.

K. KUPPUSWAMI MUDALIYAR—10-3-05.

It is in effect the enhancement of the fees paid to the President from Rs. 600 + 150 to Rs. 600 + 150 + 180. The sanction of the Secretary of State will be necessary for the arrangement.

P. T. THARYAN—10-3-05.

The present proposal is that the President of the Board should get an extra Rs. 180 per annum and be allowed to keep the amount himself if he does his own clerical work or, I suppose, if he gets one of the subordinates at the hospital to do it for him. As the President says a clerk is required throughout the year, there seems to be no reason why a clerk should not be appointed in the usual manner; no doubt other work could be found for him at times when examination work is lightest.

A. GALLETTI—12-3-05.

Submitted that the proposal must be disapproved. The grant of anything further in the way of "allowances" is to be deprecated. A clerk is wanted or he is not. If not, there is no need for an allowance. If he is required he should be specifically appointed for such time as his services are actually required.

H. D. TAYLOR—13-3-05.

I agree.
