Education Dept. –

Sir,

With reference to the difficulty about the mileage shown in my bill for travelling allowance from Yercaud to Madras, I would mention that I travelled down by the new ghât road, as it is far more convenient & less fatiguing to go down by, – this road is 20 miles from Yercaud to Salem Railway Station, and my house is a mile or more out of Yercaud itself, as I have already had occasion to mention to you. I should be much obliged therefore if, after ascertaining the correctness of the above, you will kindly sanction the payment of the balance due to me on account of the 4 miles struck out of my T.A. bill. –

Refer to Coll: Code

I should also be greatly obliged to you if you would be so good as to let me have an order on the Yercaud Treasury, in payment of my bill for expenses during my halt in Madras, not later than the 5th inst., I apologise if I am giving any trouble, I would not do so were it not that I find that it is of great importance to me that I should have the above by the date mentioned, if possible.

With A.G. 1/2.

Sir,

I beg to send you, enclosed herewith, my bill for travelling allowance from Madras to Yercaud. – I would mention that on the return journey I used the old ghat road, being more convenient to come up by. As, by this route, Yercaud is 17 miles from the Railway Station, and my house is a fraction over a mile beyond Yercaud, I have charged for 18 miles for the journey by road. –

May I remind you that there is still Rs. 2/- owing to me for the travelling allowance from Yercaud down to Madras, as I travelled 21 miles & was paid only for 17, – I should be glad if this item might be included when payment is made of the bill sent herewith, – which, I would also request, may be made payable through the Sub-Treasury at Yercaud. –

SUBJECT.

Travelling allowance Bill of
Mr R. F. Carey.

D

The travelling allowance bill of Mr Carey, prepared in proper form by the Museum Establishment, has just been received.

2. Mr Carey gives the distances travelled by road as 21 miles. As pointed out in the notes to G.O. no. 43 Educational, dated the ~~[illegible]~~ 27th instant, the Madras Railway guide shows the distance from Salem Railway station to the foot of the ghats as 7 miles & that from the foot of the ghats to Yercaud as another × 7 miles. Thus the total distance from the Salem Railway station to Yercaud is 14 miles. If to this distance that from Mr Carey's house to the chief Public office in Yercaud, viz., the Taluk cutcherry, — Mr Carey gives this as a mile and a quarter — is added, the total distance for which mileage may be claimed is ~~[illegible]~~ 15 1/4 miles. But the Accountant General's office passes travelling allowance bills from Salem town to Yercaud at 12 miles and from Salem Railway station to Salem town at 3 1/2 miles. According to this information the total distance from the Railway Station, Salem, to Yercaud is 15 1/2 miles. To this may be added a mile and a ~~half~~ quarter, the distance between the chief public office & Mr Carey's house,

× That is of the ghat
Ghat track, not by
road of the [illegible]
Ghat

15

The total distance thus arrived at will be 15½ miles + 1¼ miles or 16 3/4 miles or 17 miles in round numbers. For orders as to whether Mr Carey's bill may be passed for this distance.

Sir,

On page 554 of the revised Edition of the 'Routes in the Madras Command' issued in 1904, the distance from Salem to Yercaud is given as 14 miles. It is understood that this is the distance by the old ghat road, but a new ghat road has now been constructed and the Collector of Salem reports

reports that the actual distance from the Salem Railway Station to Yercaud, by this road is 20. miles.

With reference to the instructions contained in the preface to the revised Edition referred to, I am directed to request that the necessary steps may be taken to correct the entry in the Route-book or insert therein the additional information now furnished, should the Lieutenant-General Commanding the Ninth Division see no objection thereto.
