GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers :—

From W. DOBBIE, Esq., Accountant-General, Madras, to the Secretary to Government, Educational Department, dated 14th March 1905, No. G. 1493/13651.

I have the honour to bring to the notice and for the orders of Government that the term of the agreement with Mr. S. C. Probyn, Officiating Professor of History in the Presidency College, Madras, terminated on the 28th December 1904, and that in the absence of any agreement his salary subsequent to that date must be limited to half the pay of the appointment under the provisions of article 107 of the Civil Service Regulations. The salary of Rs. 500 a month under the agreement which expired on the 28th December 1904 has, however, continued to be paid to him as it is in accordance with the scheme sanctioned by the Secretary of State and published in G.O., No. 765, Educational, dated 18th December 1901. Mr. Probyn is now officiating in the vacancy caused by the absence on leave of Mr. Mark Hunter, and I have been informed that his services will be required up to the ensuing vacation of the Presidency College.

I would also bring to the notice of Government that in accordance with the terms of his agreement the grant of a return passage to Mr. Probyn can be made only on the termination of his agreement for eighteen months or earlier on the grounds of ill-health. There is no provision in the agreement for the grant of a return passage if Mr. Probyn's employment under Government is continued beyond the period of engagement—eighteen months mentioned in his agreement. The grant of the return passage even in the changed circumstances of Mr. Probyn's case is in accord with the scheme already referred to and with the approval of Government will be made to Mr. Probyn if claimed by him within six months of the commencement of the next vacation. I would, however, suggest the advisability of providing in the form of agreement in such cases for an extension of the officiating service after the termination of the original term of employment.

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department (through the Accountant-General), dated 16th March 1905, Cl. No. 24.

Mr. S. C. Probyn, Acting Professor of History, Presidency College, whose term of agreement expired by the 28th December last, but who continued in the appointment owing to the employment of the permanent incumbent on other duty, is unable to continue lecturing on account of an affection of the throat, and I think that it is desirable that the engagement should now terminate and that he should return to England. I have the honour to request that he may be permitted to leave Madras and that early arrangements may be made for his being provided with a passage back to England under paragraph 7 of his agreement communicated with G.O., No. 358, Educational, dated 27th July 1903.

No. G. 1518/13836, dated 18th March 1905.

Forwarded to Government in continuation of this office letter No. G. 1493/13651, dated the 14th March 1905.

W. DOBBIE,
Accountant-General.

To the Secretary to Government, Educational Department.

ORDER—No. 171, Educational, dated 22nd March 1905.

Mr. Probyn is permitted to leave immediately for England. He will continue to draw pay at the rate of Rs. 500 per mensem till the date of this order.

2. The Accountant-General will arrange to pay him his passage money for the return journey.

NOTES CONNECTED WITH G.O., No. 171, EDUCATIONAL, DATED
22ND MARCH 1905.

[SUBJECT.—Termination of Mr. Probyn's appointment.]

From the Accountant-General, dated 14th March 1905, No. G. 1493/13651.

I think that Mr. Probyn should continue to receive the full pay of the appointment and also receive a return passage. He is continuing to act really as a matter of convenience to Government, but some suggestions have been received from Mr. Hunter as to returning within the period of his leave.

2. Mr. Probyn has since applied for permission to go home at once as he is under medical orders unable to lecture.

H. D. TAYLOR—15-3-05.

Under clause (5) of Mr. Probyn's agreement on page 5 of G.O., No. 358, Educational, dated 27th July 1903, the Government have to pay him "so long as he shall remain in their service and actually perform his duties, at the rate of "rupees five hundred per mensem," but this has reference to service during the period of agreement for eighteen months. He reported arrival at Madras on 29th June 1903—page 526 of the History of Services of Gazetted Officers corrected up to 1st July 1904. His agreement therefore terminated on 28th December 1904.

(Rs. 1,000) which Mr. Allen actually draws. If the former the Secretary of State will have to be specially asked through the Government of India for sanction to continue paying him at the rate of Rs. 500. If the latter Mr. Probyn can draw Rs. 500 without any such reference. The Accountant-General may perhaps be asked.

2. Mr. Mark Hunter's application to return within the period of his leave will be found in G.O., No. 117, Educational, dated 24th February 1905, but Mr. Probyn now wants to return immediately.

3. Under clause (7) of Mr. Probyn's agreement he can claim his return passage at any time before the 29th June next even without the extension of the period

of his agreement with or without the sanction of the Secretary of State.

P. T. THARYAN—20-3-05.

Submitted that as the Accountant-General has been passing Mr. Probyn's Rs. 500 a month with reference to the Secretary of State's despatch in G.O., No. 765, dated 18th December 1901, and without reference to the Civil Service Regulations, there is no necessity to consider the question raised in the office-note. I presume a report will be sent to the Secretary of State through the Government of India. This report might contain the suggestion made by the Accountant-General.

A. GALLETTI—20-3-05.

Mr. Probyn's appointment may determine and he may be permitted to leave for England forthwith. He should receive Rs. 500 per mensem for his additional period of service, and is also entitled to his return passage.

2. The minute in the linked file may be approved.

Demi-official from A. GALLETTI, Esq., Assistant Secretary to Government, Educational Department, to S. C. PROBYN, Esq., dated 22nd March 1905, No. 80.

I am directed to inform you that the Government have no objection to your leaving at once for England if you wish to. The Accountant-General will pay you your passage money for the return journey. Formal orders are issuing on the subject.

Faired, signed and despatched. May the draft order now issue?
