Subsidy to Boards.

Sanctioning the distribution of Rs. 33,175 among Taluk Boards and Municipalities in the Ceded districts as subsidy for the payment of grants and results stipends and authorizing the Director of Public Instruction to utilize the saving of Rs. 8,050 in paying any reasonable claims from Local Boards for additional subsidy.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—again the following paper:—

G.O., No. 157, Educational, dated 15th March 1905.

ABSTRACT.—Sanctioning the distribution of Rs. 2,28,194 among Taluk Boards and Municipalities as subsidy for payment of grants and results stipends in full.

READ—also the following paper:—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated 13th March 1905, R.C. No. 1584.

In continuation of this office letter current No. 1584, dated 28th February 1905, I have the honour to submit a statement showing the distribution of the subsidy among Local Fund Boards and Municipalities in the Ceded districts. As Government in paragraph 2 of their Order No. 280 L., dated 10th March 1905, have ruled that the transfer of the savings from one Taluk Board to another is inadmissible, I have in the present distribution treated the Taluk Boards independently of each other.

2. In the Kurnool district the subsidy required for results stipends has been reduced only by 25 per cent. as against 50 per cent. in most other districts, as the amount paid from subsidy last year for results stipends was Rs. 3,000 as against Rs. 1,546 only required for this year. The small sums required for the Proddatur and Siddhavattam taluks in the Cuddapah district have been allowed to stand.

3. The total of the amount of subsidy already recommended for Local Fund Boards in my letter quoted above, and that now recommended for the Boards in the Ceded districts is Rs. 2,31,550 against an allotment of Rs. 2,39,600 provided for the purpose in the current year's budget. As there is thus a saving of Rs. 8,050, I request that I may be permitted to authorize payment of any reasonable claims from Local Fund Boards for additional subsidy, as there is no time to apply for sanction of Government in such cases. In the case of Municipalities the total comes to Rs. 29,970 against an allotment of Rs. 30,000.

ORDER—No. 172, Educational, dated 23rd March 1905.

The Government sanction the distribution of Rs. 33,175 among Taluk Boards and Municipalities in the Ceded districts as shown in the statement appended hereto.

2. The Government also authorize the Director of Public Instruction to utilize the saving of Rs. 8,050 in paying any reasonable claims from Local Boards for additional subsidy.

LOCAL AND MUNICIPAL DEPARTMENT.

From the Director of Public Instruction, No. 1584, dated 13th March 1905.

It is submitted that the Director's letter may be transferred u.o. to the Educational Department for the issue of necessary orders in continuation of those about to issue in regard to the distribution of the Provincial subsidy in the other districts of the Presidency.

EDUCATIONAL DEPARTMENT.

The order sanctioning the distribution of the Provincial subsidy to Local Boards and Municipalities is issuing—*vide* G.O., No. 157, Educational, dated 15th March 1905, which is being urgently printed.

2. Including the amounts of subsidy recommended in the present letter, the amount of subsidy proposed to be paid to Local Boards during the current year comes to Rs. 2,31,550 against Rs. 2,39,600 provided in the budget, leaving a saving of Rs. 8,050. The Director requests that he may be authorised to pay from this balance any reasonable claim from Local Boards for additional subsidy, there being no time to apply for the sanction of Government in each case.

Orders are solicited as to whether this proposal may be sanctioned.

T. KANAKASUNDARAM PILLAI—16-3-05.

Justice to the Boards is the reason.

A. GALLETTI.

There appears to be no reason why anything should be added to the amounts shown in the distribution lists already submitted and why the balance of Rs. 8,050 should not lapse to Government. The lapse will be under ADJUSTING HEADS and not under 22. EDUCATION under which head alone we should show as much expenditure as possible for the present.

P. T. THARYAN—16-3-05.

Submitted that the Director's proposal may be approved if there is no objection in Financial.

A. GALLETTI—17-3-05.

I agree. The variation is only 3 per cent. and it is not possible to forecast this expenditure with any very great accuracy.
