NOTE BY TECHNICAL SECTION.

Name of work All Saints' Industrial School at Puttur, Trichinopoly.

With reference to this office No. 5965 C dated 21st December 1903, forwarding a note by the Chief Engineer P.W.D on the above estimate & attached to G.O. No. 8 Educational dated 6th Jany 1904, since modified by G.O. No. 447 Educational dated 23rd July 1904. The Manager of the school submits a supplemental estimate for laying flooring tiles on brick concrete, building basement with brick in mud 1¼ ft higher than originally intended, providing a new panel & venetian door & for increase in the following rates.

Flag F.

D.

	From	To

P. W. 60.
500—7-4-03.

By the above alterations the total amount of the estimate will be increased from Rs 4,560 to Rs 5,570 or with an excess of Rs 1,019.

The supplemental estimate has been countersigned by the S. E. VI Circle.

The increase in rates are fair.

The P. W. D note appears to be correct. The original Estimate for the work amounted to Rs. 4,560 but the P. W. D. to whom the plan & Estimate were forwarded for Scrutiny Suggested certain alterations which raised the Estimate to Rs. 5,400 - Vide Chief Engineer's note in G.O. no. 8 Edl., dated 6th January 1904. It was subsequently pointed out that the Chief Engineer's recommendation in regard to the use of Cuddapah Slabs for flooring Could not be adopted; and Govt. then recommended the use of flooring tiles instead (over the proposed concrete) Vide G.O. no. 447 Educational, dated 23rd July 1904. The cost on this account amounts to Rs. 252 - Vide 1st item in the supplemental abstract Estimate on page 17 of the Current file. It will also be seen from this abstract Estimate that two items which were omitted in the original Estimate, ~~that these~~ have now been included in the revised Estimate and that there has been an increase in the rates in regard to certain items with reference to local Conditions. Thus the total increase ~~of Rs 1019~~ over the original Estimate of Rs. 4,560 ~~is Correct~~ amounts to Rs 1019. The details of this increase will be found on page 17 of the ct. file.

The total estimate now comes to 5,579 and one-third of this is Rs 1,859. A grant of Rs 1,800 has been promised - G.O. 408 dt 6-1-04. While therefore the alterations may be approved there appears to be no reason for increasing the grant.

In accordance with G.O. no. 122 Educational, dated 2nd March 1905, it must first be decided what should be the date within which the work should be completed, the date within which the Completion certificate should be submitted to the D.P.I. and the date within which the deed of agreement prescribed in rule 119 of the Grant-in-aid code should be ~~fix~~ executed. The P.W.D. may therefore be first asked to ~~[illegible]~~ fix a date within which the work ~~may~~ can be completed. Orders are solicited.
