*The Chief Secretary to Government,

In.

The Port Officer, Cocanada in forwarding copy of the Minutes of the Cocanada Port Conservancy Board dated 23rd February 1905, requests (vide Copy of his Endorsement enclosed), that the sanction of Government may be obtained to Kandala Narasimham, Acting 2nd clerk of the Landing and Shipping Dues Office at that port being exempted from the Examination Rules in view to his confirmation in his appointment.

I have the honour to recommend that the clerk referred to be exempted from the Examination Rules, so far as regards the particular post he is now holding. Difficulty in securing a passed candidate for this appointment is felt, and Government have, on a previous occasion, exempted one A. B. Madava Rao for this appointment - vide G. O. Nos. 496 & 664 Marine dated 17th June 1901 and 8th August 1901 respectively. This clerk has since been dismissed from the service (G.O.No.795, Marine, dated 20th September 1902).

An exemption application is enclosed.

I have the honour to be,

Sir,

Your most obedient servant,

R. I. M.

For the Public Service notification please see G.O. No. 757 Edl. 21-12-04 now in the file. He has not to pass any special examination as clerk of the Landing + shipping fee office. He should only possess the Educational qualifications required under rule 2 of the Public Service notification for admission to posts carrying a pay of Rs 15 and upwards

upwards in the Service of Govt.

On the present case it is proposed in Educational to decline to sanction the exemption "in the absence of anything to show that proper steps have been taken during the last two years to obtain a qualified candidate. But it would appear from the statement accompanying the P.P.O.'s letter that the vacancy was advertised in the S.G. Gazette and that no applications were forthcoming. Apparently this is not considered as a sufficient reason for the grant of a permanent exemption.

On this connection attention is also invited to the notes in G.O. no 496 Mar 17.6.01. On account of the great difficulty experienced in securing the services of a passed man for the post of second clerk in the Landing & Shipping office it was then proposed to reduce the pay of the post to Rs 14.50 as to secure the services of unpassed men. But it was ~~agreed~~ afterwards agreed to exempt the man who was then holding the post from the examination rules and to consider each case as it comes up and not to reduce the pay of the
