No. 181, EDUCATIONAL, 27TH MARCH 1905.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated 14th March 1905, Ref. on Cur. No. 1952.

With reference to G.O., No. 138, Educational, dated 7th March 1905, I have the honour to enquire what should be done in the matter of the Inspectorship of Technical schools. Mr. James has been, under G.O., No. 300, Educational, dated 17th May 1904, holding this office since the close of May 1904. The Principal of the College of Engineering complains that the work interferes with Mr. James' duties at the college. A copy of the Principal's letter to me No. 1698-C., dated 28th February 1905, is enclosed. It is clear that the Principal should have informed me of the difficulty before preventing Mr. James from performing work which he was doing under the orders of Government: but it also appears probable that Mr. James has enough to do at the college.

Perhaps the most suitable plan for the present will be to depute Mr. Brand to inspect these institutions so long as he remains at the School of Arts. It would not be a satisfactory arrangement for Mr. Chatterton to be under the orders of two different departments.

ENCLOSURE.

From the Principal, College of Engineering, Madras, to the Director of Public Instruction, Madras, dated 28th February 1905, No. 1698-C.

At the beginning of this month and at other times last year Mr. W. H. James asked permission to proceed on tour in his capacity as Inspector of Technical Schools. In the interests of the students of this college, I have been compelled to refuse Mr. James the permission he asked for on several occasions. I have done this because I understand that Mr. James' primary duty is to teach Engineering in this college. Touring as an Inspector is not compatible with the proper fulfilment of what I take to be Mr. James' primary duty. Now that Mr. Chatterton has returned from leave I have the honour to request that you will relieve Mr. James of this Inspectorship the duties of which he cannot efficiently perform so long as he remains on the staff of this college. Any deficiency in inspection of Technical Schools must, during my tenure of this office be laid to my charge as I have often declined to permit Mr. James to proceed on tour.

ORDER—No. 181, Educational, dated 27th March 1905.

The duties of the Inspector of Technical Schools will accordingly be entrusted to Mr. Brand for the present.

NOTES CONNECTED WITH G.O., No. 181, EDUCATIONAL, DATED
27TH MARCH 1905.

[SUBJECT.—Inspector of Technical Schools.]

From the Director of Public Instruction, dated 14th March 1905, No. 1952.

In G.O., No. 300, Educational, dated 17th May 1904, Mr. James of the College of Engineering was appointed Inspector of Technical Schools, and he was to perform the duties without extra allowance and without prejudice to his duties at the College of Engineering. As it has been made out that this work interferes with his duties at the college, the Director of Public Instruction now proposes that Mr. Brand may be deputed to inspect the Technical schools so long as he remains in charge of the School of Arts.

K.K.M.—18-3-05.

There is no allowance attached to the post beyond the travelling allowance admissible under the Civil Service Regulations. The Secretary has remarked on the current "I think the arrangement will suit".
