The Secretary to Government,

Educational Department.

Sir,

on page 8 of G.O. no. 767 Edn. 26-12-04 C.

With reference to the correspondence ending with my letter Ref on Cur No. 4177 of 04 dated 12th December I have the honour to request you to be so good as to let me know if the pictures required for the Art Loan Collection of my office are likely to be purchased within the close of the official year so that any portion of the grant of Rs.10,000 sanctioned in G.O. No. 276 Financial dated 8th April 1904 may be utilized. If it is not possible to utilize the amount within the current official year I request that the necessary provision may be made in the Budget Estimate for 1905-1906 to meet the charge.

D

Even if the cost of the pictures now indented for is debited to this year's allotment it is unlikely that I shall be able to spend the balance during the current financial year as I can only arrange for this after the arrival of the pictures coming from England.

I have the honour to be,

Sir,

Your most obedient servant,

SUBJECT.

Pictures for the Art Loan Collection in the Office of the Director of Public Instruction

D. In G.O. no. 276 Fin: d/ 8-4-04 an allotment of Rs. 10000 has been made (from the special grant of 3 lakhs) for increasing and improving the Art Loan Collection in the D. P. I's office.

E. Out of this amount the Director-General of stores was requested in letter no. 616 Edl: d/ 10-10-04 to expend a sum not exceeding £550 (Rs. 8250) including package and freight on the purchase of certain sets of lithographs and photogravures for the said Collection. The Director now wishes to know if these pictures are likely to be purchased within the close of the official year. No intimation has been received from the India Office about their purchase; but it is possible that it may be made before the 31st of March next.

2. The Director further says that it is unlikely that he will be able to spend the balance, Rs 1,750 during the current financial year. In that case this amount may be resumed for the present and reallotted next year. The current may be sent u.o. to Financial for necessary action.

If thought necessary, we could wire to the India Office.
