Building Grants.

Recording letter from the Director of Public Instruction submitting a complete statement of all -- which have been sanctioned but not disbursed.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers:—

Memorandum No. 30, Educational, dated 23rd January 1905.

The Director of Public Instruction is requested to be good enough to furnish, for the information of Government, a complete statement of all building grants which have been sanctioned but not disbursed, giving the number and date of sanction in each case.

(By Order.)

A. GALLETTI,
Asst. Secretary to Govt.

To the Director of Public Instruction.

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated 2nd February 1905, Ref. on Cur. No. 577.

With reference to Memorandum No. 30, dated 23rd January 1905, requesting me to furnish a complete statement of all building grants which have been sanctioned but not disbursed, I have the honour to submit the following two statements. The first relates to building grants which have been sanctioned but have not been disbursed but are likely to be disbursed before the end of the official year if the necessary deeds relating to building grants are executed by the managers concerned. The second list relates to building grants already sanctioned, but which are not likely to be utilized during the current official year, as the buildings for which grants have been sanctioned are not likely to be completed before the end of the official year.

2. I am addressing Government separately on the subject of the building grant allotment for the current year, with special reference to the statements herewith submitted.

ENCLOSURES.

I.—Statement of building grants sanctioned but not yet authorized to be paid, but are likely to be paid before the close of the official year.

ORDER—No. 200, Educational, dated 29th March 1905.

Recorded.

(True Extract.)

H. D. TAYLOR,
Ag. Secretary to Government.

To the Director of Public Instruction.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 200, EDUCATIONAL, DATED
29TH MARCH 1905.

[SUBJECT.—*Building grants.*]

From the Director of Public Instruction, No. 3959, dated 26th October 1904.

3. I don't know what you are doing about requiring deeds in case of aided building grants. If you are hanging up disbursements and creating indefinite liabilities I want to know all about it.

J. T[HOHSON]—7-1-05.

2. With reference to paragraph 3 of Honourable Member's note, please put up the orders relating to deeds of acceptance and formal mortgage deeds. To avoid delay in execution of the necessary documents after a grant has been made, it is desirable that the Director of Public Instruction should, before recommending the grant in any case, satisfy himself as to the title of the manager to execute the deeds.

3. Another point that requires to be carefully considered is the question of *actual* cost. Before a payment is made a certificate of *actual* as against *estimated* cost should be furnished by the manager who will probably work at a good deal less than Public Works Department rates. The sanctioned grant will then be a maximum.

4. It would be well to prescribe a period after which grants should lapse. The Director of Public Instruction may be asked to furnish a statement showing the number of items which have been *sanctioned* but not yet disbursed, and date of each such sanction.

H. D. TAYLOR—9-1-05.

2. The orders relating to deeds of acceptance and formal mortgage deeds are put up—*vide* G.O., No. 739, Educational, dated 15th December 1904, and G.O., No. 634, Educational, dated 20th October 1904.

T.K.—10-1-05.

P. T. THARYAN—10-1-05.

Office have stuck Secretary's remarks on paragraph 3 of Honourable Member's note in the draft; but I understand Secretary to be dealing with matters that are for consideration, not for immediate orders. Should the Director be asked by official memorandum to report on the points in Secretary's paragraphs 2 and 3 and to furnish the list of Secretary's paragraph 4?

H. D. TAYLOR—10-1-05.

2. If the Director is now ordered not to recommend any grants till he has satisfied himself of the title, all applications or nearly all will be hung up in his office for the present. Submitted that the better plan for avoiding the accumulation of liabilities is to say in each order of Government sanctioning a grant: "Provided the building is finished by such and such a date," as well as "Provided the deed is executed by that date"; and we are authorised by Grant-in-Aid Code, 118, to say this.

H. D. TAYLOR.

A. GALLETTI—12-1-05.

In the linked file * the Secretary has suggested the addition of a clause to rule 118 about the submission of a certificate of actual cost.

* Connected with G.O., No. 160, Educational, dated 16th March 1905.

P. T. THARYAN—12-1-05.

Send files together to Secretary.

A. GALLETTI—12-1-05.

Honourable Member's note, paragraph 3, and my note thereon should have been dealt with separately. It would perhaps be well if the Director of Public Instruction were ordered to send in a half-yearly statement of building grant sanctioned and not yet disbursed, so that we can see how for budget purposes we actually stand.

H. D. TAYLOR—18-1-05.

The draft may issue, and the present question may be taken up separately. Ask the Director of Public Instruction to furnish a complete statement of all sanctioned grants still pending with him and for which payment has not been made quoting number and date of sanction.

H. D. TAYLOR—18-1-05.

[G.O., No. 31, Educational, dated 20th January 1905.]

The Government Order has issued. A draft memorandum calling on the Director of Public Instruction to furnish a complete statement of building grants sanctioned but not paid is submitted below for approval.

T. KANAKASUNDARAM PILLAI—20-1-05.]

[The notes will be separated in printing, after the memorandum issues.]

P. T. THARYAN—20-1-05.

Issue memorandum.

A. GALLETTI—21-1-05.

[Memorandum No. 30, Educational, dated 23rd January 1905.]

From the Director of Public Instruction, No. 577, dated 2nd February 1905.

The statements should be completely checked. In some cases grants date from 1899. This shows the necessity for fixing a date within which payment is to be made. In some cases payment has been made before completion of work or execution of deeds. The present liabilities of Government amount to Rs. 37,394 + 43,103 = Rs. 80,497.

H. D. TAYLOR—3-2-05.

The statements have been checked. They may now be submitted to Honourable Member with reference to his note, dated 7th January 1905, on page 1 *supra*.

2. The communication referred to in paragraph 2 of the Director's letter No. 577, dated 2nd February 1905, has been circulated to the Honourable Member this day.

T. KANAKASUNDARAM PILLAI—16-2-05.

Question of stopping payments on account will perhaps have to be considered in this connection.

A. GALLETTI—17-2-05.

Payment on account must of course be stopped where deeds have not been executed in proper form—but on the general question let us hear what the Director of Public Instruction has to say.

H. D. TAYLOR—19-2-05.

[Memorandum No. 104, Educational, dated 20th February 1905.]

The above memorandum and the Director's reply thereto are printed on page 3 of G.O., No. 160, Educational, dated 16th March 1905.

2. The questions raised in the Secretary's note of 9th January 1905 have been disposed of by G.O., No. 122, Educational, dated 2nd March 1905, and No. 160, Educational, dated 16th March 1905.

3. This current may therefore be simply recorded.
