Rules of Recognition of Schools.

Recording letter from the Director of Public Instruction reporting the steps taken by him to warn managers of schools of the provisions of G.O., No. 597, Educational, dated 4th December 1903, withdrawing the exemption from the operation of article 2 of Chapter II of the Madras Educational Rules of certain classes of primary schools.

READ—again the following paper:—

G.O., No. 559, Educational, dated 8th September 1904.

ABSTRACT.—Directing, with remarks, that G.O., No. 597, Educational, dated 4th December 1903, withdrawing the exemption from the operation of article 2 of Chapter II of the Madras Educational Rules of certain classes of primary schools should be held in abeyance until the proposals which the Director promises to submit for bringing about greater efficiency in primary schools have been received and considered.

READ—also the following paper:—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated 18th March 1905, Ref. on Cur. No. 6432 of 1904.

With reference to paragraph 2 of G.O., No. 559, Educational, dated 8th September 1904, inquiring as to what steps were taken by me to warn managers of schools of the provisions of G.O., No. 597, Educational, dated 4th December 1903, I have the honour to state that all Inspecting officers were asked in this office proceedings, Dis. No. 613, dated 1st February 1904, to give effect to the order from 1st April 1904. As the recognition of primary schools is left to the Inspectors, the necessary instructions were issued by them to the subordinate officers who were required to make known the provisions of the order to all managers concerned. They were asked also to be guided by these new provisions in admitting schools to the aided list for 1905-1906. It was while trying to give effect to these provisions in regard to the admission of schools to aid that some of the Inspecting officers brought to my notice the harmful effect that the new order was likely to have on primary education; hence my letter, Cur. No. 6432, dated 27th July 1904, upon which the modified order was passed.

2. It will be seen, therefore, that except in the districts of South Canara, Tinnevely, Górávari, Vizagapatam and Madura the provisions of G.O., No. 597, Educational, dated 4th December 1903, have not been enforced anywhere. The Inspecting officers have already been called upon to submit, when they are in a position to do so, a special report on the working of the present concessions and I should propose to defer submitting a report upon the inquiry promised in my letter, Cur. No. 6432, dated 27th July 1904, as to the necessity for enforcing stricter rules regarding qualifications of teachers in primary schools, till after the grant examinations for the year 1905-1906 are over; for it is only then that the full effect of the modified order will have been made clear. The strengthening of the Inspecting Agency which has just been given effect to will enable Sub-Assistants to become more thoroughly acquainted with the conditions of primary schools and they will be able to take the individual merits of teachers into account in recommending or not the existing concessions. I think, moreover, that the provisions of the new Grant-in-Aid Code which will be submitted as soon as possible will act in such a way as to gradually eliminate the inefficient teachers.
