MARCH.

Reformatory School, Chingleput.

Approving, with remarks, the proposal of the Superintendent, —, regarding the punishment to be inflicted on two pupils of the school who committed an unnatural offence.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated 21st March 1905, Ref. on Cur. No. 2431.

With reference to article 37 of the rules for the Reformatory School, Chingleput, I have the honour to report that an unnatural offence was committed by two pupils of the school on the 16th instant under the circumstances set forth in the subjoined extracts from the Superintendent's letter on the subject :—

“The pupils who committed the offence are—

(1) Karri Venkatareddi, pupil No. 427, who was the aggressor. His age is sixteen years and three months, and he will be discharged from the school on the 30th November 1905.

(2) Subbayyan, pupil No. 566, who was a willing partner to the offence. His age is sixteen years and two months, and he will be discharged on the 28th November 1906.

The offence was committed in the lower storey of the new dormitory which accommodates 50 boys who sleep in hammocks slung in two parallel rows. The place is sufficiently lighted with two lamps burning all night and a peon in charge walks along the high verandah that surrounds the dormitory to keep watch over the boys. The room is provided with twenty windows so that the peon on duty at night can easily detect any irregularity taking place within the dormitory. In the present case pupil No. 427 left his hammock and got into the other boy's hammock, and threw a blanket over himself to hide detection. They were discovered committing the offence by one of the pupils sleeping near, who got up to answer the calls of nature and who brought the offence to the notice of the peon on duty.

As both these boys have behaved well up to now, particularly No. 566 who has a clean history sheet, I do not recommend their removal from the school, but that pupil No. 427 be given 24 cuts and pupil No. 566, 15 cuts on the buttocks, with penal diet for three days and gunny clothing for twenty days. The offenders have been separated from the other boys pending orders.”

As it is very desirable that the punishment should follow closely upon the offence, I request early orders as to whether the punishment proposed by the Superintendent may be carried out.

2. A further report has been called for from the Superintendent as to how far the peon on duty was to blame in the matter.

ORDER—No. 207, Educational, dated 31st March 1905.

The Government accept the recommendation of the Superintendent. The punishment of penal diet and gunny clothing should apply to both the offenders.

Ag. Secretary to Government.

NOTES CONNECTED WITH G.O., No. 207, EDUCATIONAL, DATED
31st MARCH 1905.

[SUBJECT.—A case of unnatural offence at the Reformatory School, Chingleput.]

From the Director of Public Instruction, No. 2431, dated 21st March 1905.

For orders as to whether the punishment recommended by the Superintendent may be sanctioned.

T. KANAKASUNDARAM—23-3-05.

The punishment awarded on the last occasion was fifteen cuts, penal diet and three days' solitary confinement and gunny clothing for twenty days for both the offenders—G.O., No. 568, Educational, dated 12th September 1904. This was the maximum then admissible. The maximum number of stripes now admissible is thirty for boys of the senior division and twenty-four for boys of the junior division—*vide* rule 39 (1) proviso, page 7 of G.O., No. 743, Educational, dated 16th December 1904. The other punishments still remain the same.

2. The punishments now recommended are—

Pupil No. 427, aggressor	...	...	...	Twenty-four cuts.
„ „ 566, partner	...	...	...	Fifteen cuts; penal diet, three days; gunny clothing, twenty days.

It is doubtful however whether the Superintendent does not mean that pupil No. 427 should also have penal diet and gunny clothing.

A. GALLETTI—24-3-05.

May be approved; the punishment of penal diet and gunny clothing should apply to both offenders.
