To The Private Secretary to H.E. the Governor,

thro' *The Secretary to Government,*

Educational Department.

Sir,

I have the honour to submit for the approval of His Excellency the Governor in Council the enclosed minute of an appointment for filling temporarily the post of Lecturer, Kumbakonam College, which has fallen vacant by the death of Mr. P.P.D'Rozario.

2. The officer to be appointed permanently to Mr. Rozario's place should be good in English but there being no officer at present in the subordinate service possessing the requisite qualifications in the subject the appointment of a suitable person from outside the department preferably a European or Eurasian is very necessary especially in view of the fact that the Provincial Educational service has just lost three men qualified to lecture in English to B.A. classes. I beg to propose for the consideration of Government the name of Mr. H.A. Hart who is a graduate in Arts (B.A. Mathematics, M.A. English) of this University and a Licentiate in Teaching. He has had long experience as a teacher and has the reputation of being good in his profession. He worked for many years in the Doveton college, Madras, and is now employed as Headmaster of the Government Normal school in Burmah, drawing a salary of Rs. 200 rising to Rs. 250. Mr. Hart is willing to accept Rs. 200 in Madras but if he is to be appointed it will be necessary for this Government to apply to the Burmah Government for the transfer of his services so that he may not lose the pensionable service he has already put in under that Government. I accordingly request that an application be made to the Government of Burmah for the transfer of Mr. Hart's services to the Madras Educational Department.

It wd in any case be necessary ~~that~~ [illegible] of Burma [illegible] be willing

3. As it will take some time to carry out the above arrangement I propose that in the meanwhile M.R.Ry K.R. Doraiswami Aiyar, the most senior man in the subordinate service, be appointed to act as Lecturer, Kumbakonam College, in the ninth class. I have made temporary arrangements for the teaching of English and M.R.Ry Doraiswami Aiyar's temporary promotion is necessary to enable me to provide the man I have sent to Kumbakonam with an acting appointment in the College.

4. The consent of His Excellency to the proposals herein made has been obtained demi-officially.

I have the honour to be,

Sir,

Your most obedient servant,

A. G. Bourne

Director of Public Instruction.

Mr Hart has apparently applied to the Director. Should we ask for further information about how he comes to be suggested? If he sent in an application, ought he not to have sent it in through the Govt. of Burma?

So far as I can see there is nothing to show that Mr.Hart desires an appointment in Madras. In any case we should not try and draw him away from Burma without the knowledge of that Govt. This is exactly what we objected to in the case of an officer of the Indian Edl. service in Madras & Bombay. If Mr.Hart applies through the Burma Govt. well & good. We can then pass orders on his application. If we want him we should addess Burma ourselves. Will D.P.I. please state whether he is wanted and on what detailed grounds.

SECRETARIAT.

I can find no evidence whatever that O.M. Note of 11.1.05 - the office copy of which I see in the file, was received in my office. I have no recollection of ever seeing it nor has my personal assistant and as we have many times wondered when we should hear about Mr Hart and have been waiting for him I fancy he never did see it. I see that I was on tour at the time and it may have been mislaid. Anyhow I was under the impression that the Madras Government was applying to the Burma Government.

Mr Hart applied to Mr Stuart Young before he went to Burma and we have been waiting for a chance of getting him. His people live in Madras and my assistant knows that he is willing to return.

We certainly want him - we have now lost ~~3~~ 2 Eurasians + a Europeanised native who were also good teachers of English viz.. Elliot, Hensman (a native) and De Rozario

5

and I am at my wits end to find good teachers of English either native or Eurasian – Messrs will be going next year thus leaving another gap

Therefore I asked that Mr Hart's services might be asked for.

Would it not be better to apply to the Burma Govt. for his services than ~~I~~ that I should write and tell him that there was now an appointment vacant to which he had a chance of being appointed if the Burma Government would forward his application? For one thing I cannot offer him the appointment and for another we should not know how long to keep it open.

No. [illegible] need explain.

27.3.05

Would it be possible to telegraph to the Burma Government? The question of appointments is getting rather complicated just now and I must make some arrangements and should like to know at once if there is no chance of getting Mr Hart.
