I have the honour to submit the budget estimates of the Lawrence Asylum, Ootacamund, for 1905-1906, which was received in this office only on the 3rd instant.

2. The several variations both under receipts and charges are accounted for and do not therefore call for any remarks.

3. Provision has been made under revised estimates for the following additional establishment on the ground that it was omitted to be included in the revised staff sanctioned in G.O., No. 605, Educational, dated 3rd October 1904—*vide* page 6 of the budget:—

Three coolies at Rs. 8 each.		One scavenger on Rs. 8.
One ayah at Rs. 8.		

It is hoped that Government will sanction the continuance of this establishment; otherwise corresponding reductions will have to be made in the estimates for 1905-1906 also.

4. Sanction for the increase of Rs. 10 to the clerk or office assistant should have been obtained before the necessary provision for the purpose was entered in the budget.

5. Under list of establishment (page 10 *infra*) the special allowance of Rs. 30 for an organist should have been shown against the third assistant and not against the fourth assistant.

(2) Out of the sum of Rs. 31,900 referred to in G.O., No. 149, Educational, dated 11th March 1905, Rs. 6,000 represents subsistence allowance. The Committee should report whether this amount should not be shown against Receipts—III-1. *Subsistence Allowance*.

(3) It should also be reported whether the governors of the late Military Female Orphan Asylum handed over any cash either directly or through the Treasurer of Charitable Endowments, at the time the scheme of amalgamation came into force, and if so what the amount is and under what head or heads it is shown in the budget.

(4) In the list of establishments appended to the budget the pay of the typewriting instructor and of the drawing-master should have been shown as Rs. 50 and Rs. 60, respectively, including the increase of Rs. 10 each sanctioned in G.O., No. 605, Educational, dated 3rd October 1904, and this increase should not have been shown separately as pay.

The budget of the male branch closes with a *minus* balance of Rs. 616 but this is the result of a large investment (Rs. 10,000) in the current year. If funds are actually required for expenditure in excess of the receipts in 1905-1906 the Besides, the actuals appear to be always less than the estimates or revised estimates.

A. GALLETTI.

Committee will no doubt withdraw a portion of the investment and the Government need not make any remark about it.

2. In the budget of the female branch credit is taken under *II-1., Donation and Interest*, for Rs. 32,000, as the receipts on account of the late Military Female Orphan Asylum. This amount was no doubt advised in G.O., No. 423, Educational, dated 14th July 1904, but it has since been reduced to Rs. 31,899 or Rs. 31,900 in round figures—G.O., No. 149, Educational, dated 11th March 1905. The sum of Rs. 32,944 entered against *II-1., Donation and Interest*, in the budget for 1905-1906 may there-

3. The Governors of the late Military Orphan Asylum should have had some balance to transfer to the Committee. No credit is however taken for any such balance unless anything is included in the revised estimate under *II-1., Donation and Interest*, and *III-1., Subsistence Allowance*, both of which heads show some receipts on account of the Military Orphan Asylum. Should the Committee be asked? In this connection, please see the Accountant-General's letter in G.O., No. 37, Educational, dated 23rd January 1905.

H. D. TAYLOR—30-3-05.

4. In the list of establishments the allowance or rather increase of pay to the typewriting instructor (Rs. 10) and to the drawingmaster (Rs. 10) — page 9 of statement—should be added to the pay of the instructor and master shown on page 8.
