(Education)

Calcutta, the 6th March 1905.

Sir,

The appointment of Vice-Principal of the School of Art, Calcutta, which is included in the Provincial Educational Service, Bengal, with an initial salary of Rs. 300/- per mensem, has recently become vacant, and the Government of Bengal has been unsuccessful in its endeavours to secure locally a suitable candidate for the post.

2. The Government of India are advised that properly qualified candidates might be found among men who have been trained in one of the provincial art schools . I am accordingly to inquire whether there are any past students of the School of arts. Madras, who, in the opinion of the Governor in Council can be regarded as thoroughly eligible for the appointment.

3. Candidates must be men of good education and general abilities who have received a thorough all-round artistic training, particularly in practical decorative work. The subjects now taught at the school of art, Calcutta, are stencilling and other forms of decorative work in colour , such as gesso-work, fresco painting and glass staining; and it is desirable, therefore, that candidates should have a competent knowledge of work of this kind. An artist who has only devoted himself to picture painting or sculpture

would

would, it is considered, not prove suitable for the post.

I have the honour to be,
Sir,
Your most obedient Servant,

W S Marris

Deputy Secretary to the Govt. of India.
