FURTHER PAPERS.

To

The Secretary to Government,
Educational Department.

Sir,

The Secretary to the Commissioner for Government Examinations reports that up to the 29th Ultimo only one application was received for the grade of Madras - Burma Medical pupils and none for the grade of Native Military pupils. The number required for admission next July is 25 for the former and 12 for the latter grade and the latest date notified for the submission of applications is the 7th instant. It is not expected that the number of applications from candidates of the requisite educational qualifications will come up to the required number of pupils. I have, therefore, the honor to request that the concession of lowering the standard of qualifications to the Lower Secondary examination that has been granted continuously for years past be sanctioned for the current year also for both the grades.

2. As the competitive examination is to be held on the 22nd Proximo, I have to request the favor of very early orders being passed on the matter so that timely arrangements may be made for the publication of a revised notification and the conduct of the examination.

3. To avoid all possible delay, I submit this letter through the Commissioner for Government examinations in order that he may forward it with an expression of his own views

I have the honor to be,
Sir,
Your most obedient servant,

H. K. Knowre Esq

Surgeon-General,

Surgeon-General with the Government of Madras.
