To

The Chief Secretary to Government,

Judicial Department.

Sir,

With reference to G.O. No. 724 Educational dated 12th December 1904, I have the honour to request that the Government will be pleased to sanction the exemption from the Examination rules of the following four candidates for appointment as European warders in the Jail Department.

1. Hubert Cyril Apshon
2. Bertram O'Brien
3. Hubert Cecil Phillips
4. William Arthur Brown.

2. There are at present four vacancies among the warder staff of the Penitentiary Madras; one European warder

warder resigned to take up an appointment in the Police Department, the services of another warder were dispensed with, and under G.O. No. 55 - Public dated 30th January 1905 the services of two European warders are required to fill up appointments in the Penitentiary Branch Press.

H. C. Apshon is the son of Mr. H. M. Apshon, Assistant Commissioner of Police Madras, has studied up to the Sixth form (Matriculation class) age 19 - has been acting European warder since 1st December 1904.

B. O'Brien - age 20 - has studied up to the fifth form - is respectably connected - and has been acting European warder since 22nd December 1904.

H. C. Phillips has passed the Mechanics test for Light-house mechanics and as he understands

the

the handling of machinery the Superintendent considers that he will prove very useful in the Press Branch now worked by Steam power.

The other candidate William A Brown is the son of Senior Assistant Surgeon Brown (Honorary Lieutenant) I.S.M.D. - age 18 - has studied up to the fourth form.

As European warders H. C. Epsheon and B. O'Brien were entertained in anticipation of sanction of exemption and as they have been discharging their duties satisfactorily, I would request that Government will be pleased to grant their exemption from the dates of their entertainment in the Department, viz, H. C. Epsheon from 1st December 1904, and B. O'Brien from 22nd December 1904.

I would here reiterate the opinion expressed by Mr. Gadsden in his letter No.

C 1035

80 63282 ⁵/₁₈₋₁₀₋₀₄ Xc 1035 dated 11th September 1904 that as the duties of European warders are almost purely executive a high standard of education is not so necessary for them as in the case of clerical appointments. I would however assure Government that endeavours are always made to procure passed men and only when these are not available that young and intelligent men of fair general education are selected and recommended to Government for exemption. In these circumstances I beg that Government will be pleased to sanction the exemption of the four candidates mentioned in paragraph I Supra.

I have the honor to be
Sir
Your most obedient servant
