GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated 22nd March 1905, Ref. on Cur. No. 10577 of 1904.

Under the orders conveyed in the Government of India letter communicated in G.O., No. 927, Financial, dated 20th September 1900, the Director of Public Instruction can sanction the employment of temporary clerks for the offices of the Assistant and Sub-Assistant Inspectors of Schools and temporary attenders for the offices of the Inspecting officers, and acting on these orders as I interpreted them I recently sanctioned the employment of a temporary clerk for the office of the Inspector of European and Training Schools at a total cost not exceeding Rs. 40 for the current official year. I am informed by the Accountant-General however that this is inadmissible as the orders above referred to empower me to sanction *attenders* only and not *clerks* for the offices of *Inspectors*. It appears to be undesirable that this distinction should be maintained inasmuch as it often happens that on account of pressure of work at certain seasons of the year the offices of Inspectors need quite as much as those of the subordinate inspecting officers for whom I am permitted to sanction temporary clerks, the assistance of temporary men of a higher class than attenders on Rs. 8 *per mensem*. In these circumstances, I have the honour to request that the power of sanctioning the temporary appointment of clerks for Inspectors within budget provision may also be delegated to me.

ORDER—No. 258, Educational, dated 19th April 1905.

The Government see no sufficient reason for granting the power asked for. The necessity for the employment of temporary clerks in the offices of Inspectors of Schools should be established in each case.

(True Extract.)

H. D. TAYLOR,
Ag. Secretary to Government.

To the Director of Public Instruction.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 258, EDUCATIONAL, DATED
19TH APRIL 1905.

[SUBJECT.—*Delegation of Powers.*]

From the Director of Public Instruction, dated 22nd March 1905, No. 10577.

For orders as to whether in the circumstances stated the Director's request that the power of sanctioning, within budget provision, the employment of temporary clerks in the offices of Inspectors of Schools be delegated to him may be approved. If approved, the Government of India will have to be addressed in the Financial Department.

2. The Director now possesses the power of sanctioning the employment of temporary *clerks* in the offices of *Assistant and Sub-Assistant* Inspectors and it seems therefore to be only reasonable that he should possess like powers in regard to the offices of *Inspectors*, but the object of these delegations is to lessen the amount of work in the Director's office and in the Secretariat and it cannot be said that there will be much work in connection with the employment on a rare occasion of a temporary clerk in an Inspector's office. Including the Inspector of Technical Schools there are only 6 Inspectors and 3 Inspectresses. Seven of the offices of ordinary Inspectors and Inspectresses have four permanent clerks each on Rs. 50—2—60, 25—1—30, 20—1—25, and 15—1—20 and the remaining one, the office of the Inspector of European and Training Schools, three clerks on Rs. 50—2—60, 25—1—30 and 20—1—25.

3. There is now a separate proposal to delegate the power of appointing part time gardeners and nightwatchmen. If the proposals are approved the application to India may include both.

P. T. THARYAN—4-4-05.

A. GALLETTI—6-4-05.

I do not quite understand why Inspectors were omitted from the original proposals. I see that Assistant Inspectors and Sub-Assistant Inspectors were allowed certain clerks up to Rs. 45 a year to work on *piece* work, but have these officers any *permanent* establishment, and if so, what? What is the strength of Inspector's clerical establishment. I do not like this system of giving *carte blanche* to the Director of Public Instruction to employ temporary establishment in offices which have a permanent establishment attached to them.

H. D. TAYLOR—8-4-05.

Each Assistant Inspector has as a rule a permanent establishment of three clerks and each sub-assistant one clerk. Please see pages 113-118 of the list of officers put up. Each Inspector has four permanent clerks, but the Inspector of European and Training Schools has only three clerks. Please see note at A above, also page 112 of the list of officers put up.

2. From the very beginning the Director did not ask for temporary *clerks* for Inspectors' offices. Please see remarks under *Inspection* in his letter on page 5 of G.O., No. 442, dated 9th June 1892. The Inspectors were not thus allowed temporary *clerks*, but in common with other Inspecting officers they are allowed temporary *attenders*—India's letter in G.O., No. 493, dated 6th October 1900.

P. T. THARYAN—9-4-05.

A. GALLETTI—10-4-05.

For orders.

2. There is nothing to show why the power to appoint temporary clerks in Inspectors' offices was not considered when the whole question came up. Presumably it was thought that such temporary clerks would not be necessary, nor do I see why the Inspectors' establishments should not be made to do the work. If such establishments are *really* required it should be possible to say definitely what additional establishment is required and for what period in each year. I think that the necessity for these additional establishments should be proved to Government in each case.

H. D. TAYLOR—14-4-05.

I agree.

J. T[THOMSON]—15-4-05.
