Sanctioning the proposition statements for the addition of a fourth clerk on Rs. 15-1-20 to the office of the Inspector of European and Training Schools and for the abolition of the post of first assistant clerk on Rs. 15- $\frac{1}{2}$ -20 in the Teachers' College, Saidapet.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers :—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department (through the Accountant-General), dated 22nd March 1905, Ref. on Cur. No. 977.

The Inspector of European and Training Schools having frequently represented to me that his office establishment, which now consists of three clerks, is unable to cope with the increasing work of the office, I have the honour to request that the sanction of Government may be obtained to the addition to it, with effect from 1st April next, of a fourth clerk on Rs. 15—1—20. The Inspectors of Schools for general education and Inspectresses of Girls' Schools are all provided with four clerks, and the work of the Inspector of European and Training Schools, especially with the addition to it now of the inspection and control of schools in Coorg, involves quite as heavy clerical work as that of the other Inspecting officers and I am convinced of the necessity for strengthening his office.

2. The necessary provision for this expenditure has not been made in the budget estimates. I propose, however, to meet the charge by transferring to the office of the Inspector of European and Training Schools the post of first assistant clerk (Rs. 15— $\frac{1}{2}$ —20) in the Teachers' College, Saidapet. The clerical establishment at this college consists of a head clerk, two assistant clerks and a librarian. This establishment was necessary when the branch training schools were under the supervision of the Principal. At present the only branch training school attached to the college is the Hindu Branch Training School, Saidapet, and I propose to place this school also under the supervision of the Inspector of European and Training Schools to whom the Panchama and Muhammadan Branch Training Schools have already been transferred. There should thus be some reduction in the amount of clerical work at the Teachers' College and the opportunity might be taken of transferring the first assistant clerk to the establishment of the Inspector of European and Training Schools.

3. The necessary proposition and reappropriation statements are herewith submitted in duplicate.
