GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—the following papers :—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated 17th December 1904, Ref. on Cur. No. 8481.

I have the honour to request you will be so good as to obtain the sanction of Government to the employment of a night watchman for the Government Training School, Bellary, on Rs. 4 per mensem with effect from the 1st January 1905. The school has been moved into the new buildings, and the Inspector reports that on an inspection of the buildings and their surroundings he considers it necessary to provide the school with a night watchman for the safety of the school property.

2. The charge can be met from the contingent allotment for the school in the current year's budget. Provision for the purpose has been made in the budget for next year.

Memorandum No. 5, Educational, dated 6th January 1905.

The Director of Public Instruction is requested to submit through the Accountant-General the usual proposition and re-appropriation statements.

(By Order.)

A. GALLETTI,
Ag. Assistant Secretary to Govt.

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated 20th January 1905, Ref. on Cur. No. 8481 of 1904.

With reference to memorandum No. 5, Educational, dated 6th January 1905, I have the honour to state that the submission of a proposition statement appears to be unnecessary because the charge is to be met from the provision for "contingencies" and not from the allotment under "salaries" and "establishment". I thought it possible that the employment of a night watchman from contingencies could be sanctioned by me under G.O., No. 539, Educational, dated 26th June 1895, in view of the fact that the Director has been given the power of sanctioning the entertainment of similar menial servants payable from contingencies, but in reply to my reference on the subject the Accountant-General informed me that the power delegated to the Director under the Government order quoted above could be exercised only as regards the particular menial servants specified in the Government order. Hence the application for sanction to the appointment unaccompanied by a proposition statement. The submission of a re-appropriation statement also appears to be unnecessary, as the charge does not exceed Rs. 10—*vide* G.O., No. 867, Financial, dated 31st August 1900, and can be met from the provision for contingencies.

Memorandum No. 51, Educational, dated 30th January 1905.

With reference to his letters, dated the 17th ultimo and the 20th instant, No. 8481, the Director of Public Instruction is requested to be so good as to state if a full-time servant cannot be obtained as a night watchman for the salary proposed and, if he can, to submit a proposition statement, through the Accountant-General, for the permanent entertainment of such a servant.

(By Order.)

A. GALLETTI,
Assistant Secretary to Govt.

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department, dated 10th March 1905, Ref. on Cur. No. 8481 of 1904.

With reference to memorandum No. 51, Educational, dated 30th January 1905, I have the honour to state that the Inspector of European and Training schools reports that a full-time night watchman for the Government Training School, Bellary, cannot be had for a pay of less than Rs. 5 per mensem.

Memorandum No. 162, Educational, dated 18th March 1905.

The Director of Public Instruction is requested to submit a proposition statement through the Accountant-General for the permanent appointment of a night watchman on Rs. 5 per mensem. The appointment should not however be made before the sanction of Government is duly accorded.

(By Order.)

A. GALLETTI,

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Director of Public Instruction, Madras, to the Secretary to Government, Educational Department (through the Accountant-General), dated 28th March 1905, Ref. on Cur. No. 8481 of 1904.

I have the honour to submit in duplicate the proposition statement called for in memorandum No. 162, Educational, dated 18th March 1905, in connection with the employment of a night watchman for the Government Training School, Bellary.

NOTES CONNECTED WITH G.O., No. 281, EDUCATIONAL, DATED 1ST MAY 1905.

[SUBJECT.—*Entertainment of a night watchman in the Government Training School, Bellary.*]

From the Director of Public Instruction, dated 17th December 1904 and 20th January 1905, R.C. No. 8481.

For orders as to whether the Director's proposal for the employment of a night watchman in the Government Training School, Bellary, may be approved and the draft placed below issued with the concurrence of Financial.

2. The financial effect of the proposal is an addition of Rs. 48 *per annum* to the total expenditure on Training Schools; and provision for this purpose for the next year has been included in the amount entered against miscellaneous under contingencies for Training Schools for Masters in the budget estimates for 1905–1906. If as the Director desires the proposal is sanctioned with effect from the 1st instant, the amount required for expenditure during the current official year is Rs. 8; and this will be paid from the contingent allotment for the school in the current year's budget.

N. LAKSHMANA RAO—24–1–05.

For Rs. 4 per mensem the Director ought to be able to secure a full-time servant and it seems desirable that such a servant employed as night watchman should be on the permanent establishment. If so a proposition statement seems necessary but Financial will be able to advise on this point.

P. T. THARYAN—24–1–05.

A. GALLETTI—25–1–05.

A man is no use as a night watchman if he is going to work all day. The man should be a full-time servant. The Director of Public Instruction will be asked to state if a full-time servant cannot be obtained for the sum specified, and if he can to submit a proposition statement.

In view of the Director's statement that a full-time night watchman cannot be had for a pay of less than Rs. 5 per mensem, orders are solicited as to whether the Director's proposal to pay the watchman from contingencies may be sanctioned with the concurrence of Financial.

N. LAKSHMANA RAO—13-3-05.

The Secretary has already directed that a full-time watcher should be employed. The watcher's pay may therefore be raised by a rupee and the Director requested to submit the usual proposition statement.
