Office of the Board of Revenue,
(Land Revenue),

Madras, 3rd ^{April} March 1905.

The Hon'ble Mr. C.J. Weir,
Commissioner of Land Revenue.

Read application for exemption from examination rules received from the Conservator of Forests, Southern Circle, Cnr. No. 548 dated 17th March 1905.

Forest Reference No. 167, dated 3rd April 1905.

The Board requests that the exemption of the marginally-noted individuals from examination rules sanctioned in Government

Orders No. 361 dated 29th June 1897, No. 609 dated 1st November 1897 and No. 611 dated 29th September 1898 respectively for employment as foresters may be extended so as to cover their promotion to the Deputy Rangers' class on pay ranging from Rs. 30 to 40. These men have qualified themselves for the post by passing the Forestry and Departmental tests prescribed in Section 31 (c) of the Forest Code, and as they have been well reported on by the District Forest Officers concerned the Conservator has promoted them under the impression that the exemption from examination rules already granted was sufficient. The Board requests that the Conservator's action may be approved.

2. The Conservator also requests that the exemption from examination rules sanctioned in Government Order No. 609 dated 1st November 1897 for the employment of T.M. Parthasarathi Nayudu as forester in the Nilgiri District only may be declared to hold good in regard to his employment as Deputy Ranger in any other district of the circle. The Board supports the Conservator's request.

Two of the men were exempted on the definite understanding that they should serve in the Nilgiri B. only, where it is difficult to obtain ~~excess~~ men. There is no sufficient ground for extending this limit, as it would be unfair to permit men to do so. Exempt for portion of Type draft as revised

The objection to confining the exemption
to service on the Nilgiris is that
it makes the D. Ranger a less
useful servant since he cannot
be transferred to ^{any other} district
if he is fit to be employed as a
D. Ranger on the Nilgiris, he
is presumably fit for employment
elsewhere

26. 4. 05.

Is it not the case that exemptions applicable only to
particular districts are unsound for the reason given
in the U.S.'s note? These men ~~have~~ have passed the
Middle School Exam^m in the second class, & also the
Forestry & Departmental Tests. It is desired now to
employ them as Deputy Rangers on Rs. 30 - 40 p.m.
If they are fit for this post on the Nilgiris, they are
fit for it elsewhere - & the best course would be
therefore either to refuse the exemption altogether, or
to make it general. But in view of the Board's remarks,
the former course is not recommended.

Conservation orig is ally recommended Parthasarthi
Waide for exemption "on the distinct under-
standing that he should be employed in the
Nilgiri St. only or R20."

In the case of Eyaannas Pillai the
exemption was recommended for the Mudumalai
range only, though it was granted for the
whole district.

It is now proposed to promote these men still
further and to make their exemption general:

2 The object of the original exemption
was to obtain men for the Nilgiris where
pared men ~~there~~ are difficult to obtain,
and the exemption carried with it the disadvantages
of serving in an unhealthy range. If these
men are now exempted generally for higher
posts, further applications will come in for
exemption of others in the ranges in which
these men now serve. If this process be
continued the Forest Department will eventually
contain a very large leaven of unpaired men
in fairly high posts.

Perhaps as suggested by Mr. Carden the
best plan is to refuse further exemption altogether
