To

The Secretary to Government,

Local and Municipal Department.

Sir,

I have the honor to forward the enclosed applications from Mr. P. V. Kannan Nair for exemption from examination rules and for employment in Government service. He has been Manager of this Municipal office for the past three years and has given satisfaction. He has been with me for eight months and from my own personal observations, I find he is well up in his work and conversant with the various Government orders regarding Municipal administration.

As a Municipal servant, he labours under the disabilities complained of and deserves some consideration.

I therefore submit his application for favourable consideration, if it is not against the Policy of Government to grant the concession applied for.

I have the honor to be,

Sir,

Your most obedient servant.

To

The Chairman,
Municipal Council,
Mannanore.

Sir,

I beg leave to make the following representations—

I took service under the Tellicherry Municipal Council in March 1889 and was called to this office as Manager in June 1902 on a salary of Rs. 50/. I have put in 15 years' service and am now 34 years old.

The several Government orders reviewing the administration of this Municipality for the past two years or more will show that great improvements were attained in 1902/03 and 1903/04. The figures for 1904/05 now in course of preparation also show that a similar rate of progress has been steadily kept up. To the successive chairmen that held office during the 3 years I have been of use all long to bring about these results. In G. O. No. 152 M. Div. dated 23rd January 1904 Government were pleased to direct that the appointment of a Secretary should be deferred pending further orders. The amount of additional work thrown upon the office for over two years when a continued difference of opinion existed between chairman and Councillors, can be judged from the number of resolutions of the Council protested against by the chairman and cancelled by Collector or Government. Both of your predecessors in office Messrs. M. Sorabji and P. A. Winckle who held views hostile to each other on Municipal matters have recorded their opinion of me. A few

recorded

Opinions are submitted with Mr. Macdon
Revenue Divisional Officer also held office for
some months.

The collector of the District came to Cannanore
on tour in February. During his short stay he
visited the office 3 times, inspected records, called
for a reference in connection with ^{some} complaint against
me, and went through a register. At an interview
granted to me at his bungalow he observed that
I did not pass the special tests prescribed for
employment in the Revenue Department and
said that the council should give me an increase
of pay, which at present I need not hope to get.
The late collector Mr. Pinhey also expressed his
sympathy for me.

Cannanore goes under the group of
"light municipalities" in point of income. The
salary of the Manager is Rs. 45-2-55 (Biennial).
My present pay Rs. 51/- and the next increment of
Rs. 2/- will be due only six years hence. Change
of service from one municipality to another
risks the chance of earning any gratuity that
one may be eligible for as municipalities are
"foreign" administrations towards each other, for
financial purposes. There are no chances of
promotion for me in this office.

I passed the F.A. Examination of 1887
and the late Middle school examination in
the 1st class in 1883. The latter answers for the
present Handwriting test.

I therefore beg I may be recommended
ther for exemption from passing the prescribed
special tests for employment in the Revenue
Department or for an Assistant Inspector's
place

place under ^{Assistant} Inspector of Local Tax
Accounts.
Cannanore,
26. 4. 1905.

I beg to remain,
Sir,
Your most obedient servant.

P. V. Kannan Nair
Manager
Municipal office
Cannanore.

Before I leave the chair I take this opportunity to have the following facts on record.
I accused charges with unfavourable impressions of the Manager of the office. The period of my tenure of office was one in which councillors have caused much obstruction. But I am glad to note I received co-operation from only two of my subordinates @ the Manager and @ the Sanitary Inspector. I have observed and learned that they are very much disliked by many councillors for doing honest work, not in their interests and would seize the first opportunity to have them sent out of the office. Of course the manager is the one against whom they are most bitter. The subordinates of the office and out door establishments also mostly dislike him for exacting work from them. My experience of him is that he does his duties and brings things to the notice of the chairman without fear. I shall be sorry to see honest and efficient work rewarded with unmerited punishment. I have spoken to the collector about it all and I think it proper to have the same on record.

Mr. P. V. Kannan Nair has been the Head
clerk of the Ellicherry Municipality for near
two years. He has done during the time excellent
work and has given me entire satisfaction.
He understands his duties very well and is
thoroughly conversant with the details of
Municipal administration. I have always
found him frank, taking and thoroughly
honest and I should consider he will be an
acquisition to any public office.
