SUBJECT.

Admission of Miss Teresa Domingo  
to the Medical School at Rayapuram.

For orders as to whether the Director's recommendation may be <sup>approved.</sup> ~~accepted~~ with the note in 2. In this connection attention is invited to G.O. No. 416 Educational, dated 7<sup>th</sup> July 1904, in which the admission of Miss Mackendry, Compounder in Maternity Hospital, Bangalore, to the medical school, Rayapuram was, at the request of the Mysore Durbar, sanctioned as a special case. In his note of the 30<sup>th</sup> June 1904 on pages 1 and 2 of the notes referred to, the Hon'ble Mr. Forbes <sup>said</sup> ~~stated~~ that he did not see how a pupil possessed of so small an amount of education could possibly benefit by the instruction in a medical school, that concession would be useless if candidate had not the education to profit by and follow scientific instruction and that not only would admission be unprofitable but would cause unnecessary trouble to the instructors.

The point is, I believe, that  
women are difficult to obtain with  
the presented qualifications, but  
it is desirable to have them.  
The Director will please explain  
his recommendation.
