G.O., No. 300, Educational, dated 24th May 1897.

ABSTRACT.—Approving the proposals of the Commissioner for Government Examinations in regard to the imposition of a penalty on candidates who do not apply for their certificates within a prescribed period and to the levy of fees for duplicate certificates issued when the original ones are said to have been lost.

READ—also the following paper :—

From the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., Commissioner for Government Examinations, Madras, to the Secretary to Government, Educational Department, No. 426/4-D, dated 23rd May 1905.

In their order, No. 300, Educational, dated the 24th May 1897, Government authorized the Commissioner to levy fees at certain rates for duplicate certificates issued to candidates in connection with the examinations under his control. The certificates therein referred to in connection with the Government Technical Examinations are only single-subject certificates. As no mention was made about group certificates and diplomas in Dr. Duncan's letter of the 11th May 1897, No. 314/2-D, embodied in the order quoted above, and as candidates have now applied for duplicate copies of both of them, I have the honour to request that Government will be pleased to authorize me to levy fees for these as well. I would recommend that a fee of two rupees be charged in all such cases.

2. I may add that as the number of group certificates and diplomas issued in a year is small, they are not sent to the Collectors of the several districts for issue to the candidates concerned as in the case of single-subject certificates, but are forwarded to "pupil" candidates through the heads of their respective institutions, and to "private" candidates direct from this office.

ORDER—No. 384, Educational, dated 6th June 1905.

The proposal of the Commissioner is approved.
