The Secretary to Government,

Educational Department.

Sir,

In G.O. No. 16, Educational, dated 16th January 1905, Government sanctioned the entertainment of a temporary proof reader for a period of 3 months from 1st December last in the office of the Curator, Oriental Manuscripts Library, Madras. As sanction was not anticipated, the proof reader was not entertained from 1st December and as the vacancy had to be advertised in order to secure the services of an efficient person it was not possible for the Curator to utilize the sanction within the close of the last official year. The Curator addressed me upon the subject on the 30th March. I regret to find that the paper has been lost sight of in my office. I have the honour now to request that the sanction of Government may be obtained for the appointment to take effect from the 16th instant and to its being continued till the 31st March 1906. I am instructing the Curator to entertain the proof reader anticipating the approval of Government.

2. In para 2 of my letter R. on C. No. 1402/04 dated 5th December 1904 I requested that the necessary provision may be made on this account in the budget estimates for the current year but from the details of the budget figures furnished to me, by the Accountant General I find no provision entered. Presumably this will be done in the final issue of the budget.

I have the honour to be,
S i r,
Your most obedient servant,

E. W. Middlemass

C. No. 951 From the D.P.I. No. 3234, dated 17th May 1905.

SUBJECT. Proof reader for the Oriental Ms. Library.

In G.O. no. 16 Edl dated 16th January 1905 a temporary proof reader on Rs 25 was sanctioned for three months commencing from the 1st Dec. 1904 for the Oriental Ms. Library.

2. The Director now reports that the proof-reader was not appointed in December 1904 in anticipation of sanction and requests that the appointment may now be sanctioned to have effect from the 16th May 1905 to 31st March 1906.

3. The Director also points out that no provision has been made in the current year's budget to meet this charge though he requested in para 2 of his letter dated 5th Dec. 1904 that provision might be made for the purpose.

4. In para 3 of our notes connected with G.O. no. 16 Edl & 16-1-05 the attention of the Financial Dept was invited to the Director's request in para 2 of his letter; but that Dept considered that it seemed clear that provision for the year 1904-05 only was required and made no provision in the current year's budget. The charge should therefore now be

be met by reappropriation from other heads. There will be many lapses in the Educational budget & the Director can easily make the necessary reappropriation.

5. A draft is placed below for approval; it may issue with the concurrence of the Financial Dept.

Secy 7/4. 25.505

will be a point on the score for which reappropriation can be made
