GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

Read—again the following paper :—

G.O., Nos. 29, 30, Educational, dated 19th January 1905.

Abstract.—Addressing the Government of India on the subject of the refund of tuition fees by an hospital assistant who applies for his discharge before serving out the stipulated period.

Read—also the following paper :—

From Major W. A. LIDDELL, R.E., Officiating Deputy Secretary to the Government of India, Military Department, to the Secretary to the Government of Madras, Educational Department, No. 2065-D., dated Simla, 5th May 1905.

I am directed to acknowledge the receipt of your letter No. 30, dated 19th January 1905, to the address of the Home Department, Government of India, in which you enquire (1) whether tuition fees for the period he was under training at the medical schools should be claimed from a military hospital assistant who applies for his discharge before serving out the stipulated term of seven years, and (2) whether a military hospital assistant discharged in similar circumstances, who makes the prescribed refund, may be granted the certificate or diploma of a military hospital assistant.

2. In reply to the first inquiry, I am to say that, as stated in the declaration form to be signed by every hospital assistant before appointment to the Indian Subordinate Medical Department, the refund referred to should include only pay and cash allowances received from Government from the commencement of his medical training, and not tuition fees.

3. As regards the second question, I am to say that under existing regulations* a military hospital assistant would ordinarily have received the diploma at the time of his appointment to the service. If, however, this be not the case, the diploma should not be issued to him when he relinquishes the service prematurely.

* Appendix II, Army Regulations, India, VI (1904 edition).

Order—No. 393, Educational, dated 9th June 1905.

Communicated to the Director of Public Instruction.

2. The accompanying revised draft of the rules regarding Native Military pupils in Medical schools is forwarded to the Director of Public Instruction for report as to whether further changes or modifications should be made in them. It is not understood, for instance, why provision is made in the rules for a fourth year's stipends

when the course only lasts three years. The Director is requested to compare the rules with those on page 28, volume VI of the Army Regulations, India, for 1904 and to correct them in consultation with the Surgeon-General and the Military authorities.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 393, EDUCATIONAL, DATED 9TH JUNE 1905.

[SUBJECT.—*Refund to be made by Military Hospital Assistants who apply for their discharge before serving out the stipulated period of seven years.*]

From the Government of India, No. 2065-D., *dated* 23*rd May* 1905.

In letter No. 30, Educational, dated 19th January 1905, the Government of India were requested to state (1) whether it was their intention that tuition fees for the period under training should be claimed from a Military hospital assistant who applied for his discharge before serving out the stipulated period of seven years and (2) whether a Military hospital assistant who refunded all the pay and allowances received by him from Government and obtained his discharge before serving out the full period of seven years could be granted the certificate or diploma of a Military hospital assistant. The orders of the Government of India on both the above points will be found in paragraphs 2 and 3, respectively, of their letter read above.

2. Orders have now to be passed on the draft rules submitted by the Director of Public Instruction with his letter No. 1877, dated 2nd November 1904. In this connection attention is invited to the Under Secretary's note of 3rd December 1904. The Under Secretary observed that the Director's new rule was obscurely drafted and could be re-written with advantage. The rule in question has now to be redrafted.

3. After the new rule is redrafted and orders are passed, the orders of the Government of India on the points raised in paragraphs 2 and 5 of the Director's letter mentioned above may be embodied in the orders to be passed on his draft rules.

N.L.R.—26-5-05.

T. KANAKASUNDARAM PILLAI—29-5-05.

Second point need not be embodied.

2. I would follow the wording of the Army Regulations, India, closely where the rules merely repeat the Regulations.

A. GALLETTI—31-5-05.

I agree. Now please put up a complete revised draft of the rules.

H. D. TAYLOR—2-6-05.

The rules as revised by Under Secretary have been typed and a draft is submitted referring, as ordered, the revised rules to the Surgeon-General for report.

2. According to rule 7 of the draft rules, the period of training of Native Military pupils is three years, but according to rule 9 it seems to be four. This discrepancy is found in the old rules also.

T. KANAKASUNDARAM PILLAI—6-6-05.

I think it had better be an order to the Director of Public Instruction. Type as drafted.

A. GALLETTI—7-6-05.

The draft has been typed and is submitted.
