HIS EXCELLENCY
THE RIGHT HONORABLE,
THE GOVERNOR-IN-COUNCIL,

THRO'

THE SUB-REGISTRAR OF
FEROK,
SOUTH MALABAR.

The humble Memorial of K. P. KAMMU
Clerk in the above Office.

MOST HUMBLY SHEWETH,

That the Memorialist humbly begs to place before Your Excellency in Council the following his prayer and fervently hopes that it will be justly and mercifully granted to him.

1. That the Memorialist respectfully begs to state that he is a young Moplah (Mahommedan) of an ancient and good family in South Malabar, that his parents having had no sufficient means to give him a fair education, Memorialist had the misfortune to discontinue his studies after passing the Primary Examination in 1894.

2. That as adverse circumstances befell his family after his leaving the School he had to seek for an appointment suitable to his capacity in order to support himself and a numerous family; and that in 1896 Memorialist was appointed as a *sub-protem* Clerk on Rs. 14 per mensem in the Sub-Registrar's Office at Alathur in South Malabar and transferred then on the same pay to the Sub-Registrar's Office at Tanur and subsequently to Ferok. He has thus put in on the whole a service of about 9 years, during which period he had on several occasions acted for the vacancy on Rs. 15 as well.

3. That in February 1904 Memorialist was lifted to Rs. 15 on *sub-protem* that during his service of 9 years he had always discharged his duties properly by picking up all the works of the office diligently, and proved himself worthy of the

confidence of his superiors in every way; and that a reference to all of his superiors, Messrs. C. V. Kailasa Iyer, I. Gopala Menon and P. V. Unni Sub-Registrars of Ponani, Palghat and Calicut respectively, will satisfy Your Excellency in Council about Memorialist's character and qualifications.

4. That the Memorialist further regretfully submits that because he had not the good fortune to qualify himself by passing the required test, his promotions in the department are sadly blocked up and consequently his only hopes of bettering his future are blasted and he is therefore steeped in misery; that it may not be out of place for him to mention here that it was with the firm belief and ardent desire that he might have bright prospects in the future that he entered into this department as he is a Mopla, few of whom alone have hitherto entered the service of Government.

5. That it may not be out of place for him to state here that several of his race in this and other departments have had the good a fortune to hve been exempted both partially and wholly from the examination rules, and that if that concession is denied to Your poor and humble Memorialist, his futurity will be ruined and the difficulties and distresses of a numerous and poor family will be enhanced.

In these circumstances the Memorialist most humbly and respectfully prays Your Excellency in Council will be graciously pleased to exempt him, as an exceptional measure, from the operation of examination rules generally.

For which act of kindness and gracious justice the Memorialist shall, as in duty bound,

EVER PRAY.

ENCLOSURE.

Subject.

Praying for an exemption from the Examination rules so as to be qualified for an appointment in the Superior Service on grounds set forth hereunder—

i. The Memorialist holds only a certificate of his having passed the Primary Examination the failure to pass Mariculation not only stood in the way of his promotion during his 9 years' blotless service, but also is a bar to his future promotion to any appointment of and above Rs. 15 pay.

ii. It is only in case of his exemption from the Examination rules that he can have hopes for future prospects, and the Government only has the power of exempting him.

iii. He is a member of the Mopla Community that always stands in need of a special encouragement from the Government.

v. He has been discharging his duties conscientiously and to the best of his ability and has given to all his superiors entire satisfaction

2. In forwarding the memorial, the Registrar of the District states that the Sub-Registrar under whom the memorialist is working reports that he is a diligent and painstaking mopliah clerk, extremely well-behaved and always attentive to his duties, that his handwriting both Malayalam and English is neat and legible and that he deserves the concession prayed for. I inspected the Sub-Registry Office at Feroke after receipt of this clerk's memorial and I was favourably impressed with his work. I have the honour accordingly to recommend that he may be exempted from Examination rules, so far as to enable him to hold clerks' posts on not more than Rs 17½ per mensem in the Registration Department. I beg to add that while I consider that the memorialist is a more deserving clerk than T. Mammu whose exemption from Examination rules, the Government declined to sanction in their order No. 374 Educational, dated 15th June 1904, I do not think he will be equal to the work of a first clerk in a Sub-Registry Office and hence my recommendation as in the case of the other clerk mentioned above, that the exemption should apply only to appointments on not more than Rs 17½ per mensem.
