The Battersea Polytechnic,
London. S.W.

5th May 1905.

The Secretary to the Government
of Madras,
Educational Department,
Madras.

Sir,

I beg to submit my application
for a Government of India Scholarship
for Technical Education, now at the
disposal of the Government of Madras.

2. After Matriculating 13th in the
First Class, and passing the First in
Arts of the Madras University, I put in
a year's Course at the Victoria Jubilee
Technical Institute in Bombay, which
I left in Sept: 1903 to undergo a
thorough course of Technical Education
at the Battersea Polytechnic, London.

3.

3. With a view to getting the B. Sc.
degree of the London University in the
Faculty of Engineering, I passed the
London Matriculation in Sept: 1904, in order
to qualify as an Internal Student of that
University. I shall be appearing for the
Intermediate B.Sc. this July. The course is
one of three years.

4. Besides undergoing the "approved
Course of Studies" of the London University
in Engineering, there are several examin-
ations arranged by the Board of Education
and the City and Guilds, that I have passed
and am at present sitting for.

As I should very much desire
to stay in this centre of Technical Education
as long as possible to better my knowledge,
the grant of a Government Scholarship would
greatly help towards an efficient training.

6. I herewith enclose for your kind
perusal; - ① A letter of Recommendation
from Sidney H. Wells, Esq. M.Sc., A.M.I.C.E., and
A.M.I.M.E. ② Term reports of my progress

not received

at the Battersea Polytechnic; and ③ A true copy of testimonials from Professors of the Christian College, Madras; and those of the Institute at Bombay, besides Canon Foley's and C. A. Paterson Esq.'s the Registrar of the Madras University.

7. Trusting that this application will meet with a favourable reception,

I beg to remain, Sir,

your obedient servant,

Joseph Sargon Lazarus.

Forwarded by the Rev Lazarus, father of the applicant, with a request for a re-consideration of his son's application direct from London & the return of the enclosures to Mr Lazarus at Vepery, Madras, to his son in London.

SUBJECT.

application for a State Technical Scholarship.

With reference to his application for a State Technical scholarship on behalf of his son the Rev. J. Lazarus was informed in G.O. no. 339 Est. of 20th May 1905. that the conditions governing the grant of scholarship required information regarding the candidate's qualifications which could not be obtained except from personal knowledge by Govt. or Govt. officers and that as his son was in England any consideration of him was impossible.

2. J. S. Lazarus, son of the Rev. Lazarus now applies for the scholarship direct from England. The purpose for which he applies is stated in para. 5 of his application on page 3 of the current file.

3. Orders are solicited as to whether the present application should be referred to the S. P. I. for remarks.
