G.O., No. 359, Educational, dated 25th May 1905.

Abstract.—Informing the Director of Public Instruction that the Right Honourable the Secretary of State for India has approved of the appointment of Miss C. M. Lynch to be an Inspectress of Girls' Schools in the Madras Presidency.

Read—also the following paper :—

Despatch from the Right Hon'ble St. JOHN BRODRICK, His Majesty's Secretary of State for India, to His Excellency the Right Honourable the Governor in Council, Fort St. George, dated India Office, London, 12th May 1905, No. 1, Public (Educational).

With reference to the letters of Your Excellency's Government in the Educational Department, Nos. 1 and 3, dated, respectively, the 19th January and the 16th March, I have to inform you that, in accordance with your recommendation, I have appointed Miss Christina Mary Lynch to be a member of the Indian Educational Service and to hold the post of Third Inspectress of Girls' Schools in the Madras Presidency.

2. I enclose the necessary agreement in triplicate duly signed by two members of the Council of India. When the three parts have been signed by Miss Lynch, and attested, one part should be handed to her, one part retained by Your Excellency's Government, and the third part returned to this office.

3. I take this opportunity of replying to your Educational letter No. 4, dated the 16th March, in which you forward an application for the same post from Miss Phoebe F. Parsons, First Assistant, Presidency Training School for Mistresses, Madras. Miss Parsons' name had already been recorded as an Educational candidate, since she submitted a general application direct to this office in June last. In accordance, however, with the usual practice in the case of a candidate already doing educational work in India, I should not be prepared to offer her a nomination unless her appointment to the Indian Educational Service were recommended by Your Excellency's Government. If this condition is fulfilled, Miss Parsons may be informed that her application has been noted and will be considered in conjunction with those of other candidates in the event of a suitable vacancy occurring. But it should, at the same time, be explained to her that vacancies for ladies in the Indian Educational Service are of rare occurrence, and I have before me numerous applications from well-qualified candidates. Miss Parsons' age, moreover, is an obstacle to her appointment to the service unless she is possessed of exceptionally good qualifications.

Order—No. 410, Educational, dated 15th June 1905.

In continuation of G.O., No. 359, Educational, dated 25th May 1905, the agreement in triplicate received from the Secretary of State to be executed by Miss Christina Mary Lynch is forwarded to the Director of Public Instruction with the request that he will have the three parts signed by Miss Lynch and attested, one part should be retained by Miss Lynch, the remaining two parts should be returned to Government. The agreement should be duly stamped before execution.

The Director is informed that the S of S would not be prepared to offer her a nomination on a vacancy occurring unless her appointment to the I.E.S. were recommended by this Govt.; this being the usual practice in the case of a candidate already doing educational work in India.
