Sanctioning the — of O. Vittal Rao and M. Abdul Quadir in respect of the temporary posts held by them in the Kurnool division of the Public Works Department and until passed candidates can be found.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From G. F. HANDCOCK, Esq., Officiating Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Bellary, 19th May 1905, No. 1868.

In reference to paragraph 1 of G.O., R. No. 118, Educational, dated 2nd March 1905, embodied in your Memorandum No. 1803-C, dated 11th March 1905, refusing to sanction the further extension in the case of O. Vittal Rao and M. Abdul Quadir, I have the honour to inform you that the very special grounds called for in G.O., R. No. 401, dated 13th August 1904, were by an oversight not furnished in this office No. 587 W., dated 11th February 1905, when submitting the application for further exemption.

2. The special grounds for granting further exemption for these men are—

- (i) Their total service of eight years in the department.
- (ii) Good service rendered during the famine of 1897 and 1900.
- (iii) Their experience of the rules and regulations of the department which is a great advantage for the subordinates under whom they are employed.

3. It is stated in the order that in case no passed candidates are available, these men should be replaced by other unpassed men. Passed men are not forthcoming, and I am at a loss to understand why these unpassed men should be replaced by other "unpassed" men as directed in your letter.

4. Several attempts have been made by the Executive Engineer, Kurnool division, to procure passed men, but with little or no result. It is an admitted fact that the Ceded districts do not attract men of University qualification to take up temporary appointments on small pay.

5. In these circumstances I request that you will be good enough to obtain Government sanction to the exemption of clerks O. Vittal Rao and M. Abdul Quadir until they can be replaced by passed men.

No. 3439-C, dated 6th June 1905.

Transferred to the Educational Department, with reference to paragraph 1 of G.O., R. No. 118, Educational, dated 2nd March 1905.

(By Order.)

S. B. MURRAY,
Under Secretary to Government, P.W.D.

To the Educational Department.

ORDER—No. 411, Educational, dated 15th June 1905.

In the circumstances stated by the Superintending Engineer, III Circle, the exemption of clerks O. Vittal Rao and M. Abdul Quadir from the examination rules in respect of the temporary posts held by them, and until passed candidates can be found, is sanctioned.

H. D. TAYLOR,
Ag. Secretary to Government.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 411, EDUCATIONAL,
DATED 15TH JUNE 1905.

[SUBJECT.—Exemption from the Examination Rules.]

From the Public Works Department, No. 3439 C., dated 6th June 1905.

Please see paragraph 1 of G.O., R. No. 401, Educational, dated 13th August 1904, and G.O., No. 118, Educational, dated 2nd March 1905.

2. The Superintending Engineer, III Circle, now advances special grounds for further exemption being granted in the cases of Vittal Rao and Abdul Quadir until they can be replaced by passed men—*vide* paragraph 2 of his letter. For orders as to whether the special grounds set forth may be accepted as sufficient.

R.N.—9-6-05.

A. GALLETTI—9-6-05.

T. KANAKASUNDARAM—9-6-05.

I consider that the orders should not be modified. If the Superintending Engineer cannot get passed men he should get other unpassed men. So long as unpassed men are allowed to continue indefinitely without break, proper effort *will not* be made to secure passed men. Naturally the Superintending Engineer (Mr. Handcock) thinks it desirable to retain men who have mastered office routine, but the longer they are allowed to be retained the longer applications for their retention will come in, until finally a claim to recognise their service for pension.

There must be a reasonable break in the service of these unpassed men before they can be re-entertained.

2. It is submitted that, for the purpose of these rules, the qualifications urged are to some extent disqualifications, viz., long and continuous service.

Honourable Member has approved generally of the proposal to limit the term of employment of unpassed men in permanent posts to two years—*vide* notes connected with G.O., No. 127, Educational, dated 6th March 1905.

3. The Superintending Engineer may be told, if he cannot find passed candidates, to replace these men by other unpassed men for whose entertainment sanction should be obtained in the ordinary course. He may be asked to report the date on which the services of these two men are dispensed with.

H. D. TAYLOR—10-6-05.

What is the good of shutting one's eyes to facts? You have learned clearly otherwise that educated men are not to be got in this particular quarter. What claims do unpassed men accumulate? You asked for very special reasons and have got them. I do not think that Ellore is as Kurnool or Bellary. No office can go on making its changes with unpassed or imperfectly educated men every two years.

2. If there were any proof that passed men could be found I would be the last to sanction continuance of what gives so much trouble. Can you aver that they can be found?

J. T[OMSON]—13-6-05.

I do not think that a sufficiency of passed men can be found for temporary posts in Kurnool. The order refusing exemption was drafted in accordance with my note of 25th February 1905, which had the general approval of the Honourable Member.

These appear to be temporary posts and there is not the same objection that exists in the case of allowing unpassed men to sit tight in permanent and pensionable posts. In the latter case applications would, in the course of time, and in the absence of a break, be certain to follow for permanent exemption, with permission to count past service for pension.

A 2. But in order to reduce the number of these constant references I would extend the powers of heads of departments to the granting of exemptions in respect of qualifications for *employment in temporary* or acting posts up to Rs. 20 in all cases and for any length of time.

A draft is submitted for approval.

H. D. TAYLOR—13-6-05.

A—I have no objection provided you make it plain that this permission is given to save the time of Government in dealing with applications, and with full warning that it is the business of officers to find qualified men and that Government will not pay any regard to length of service by unqualified men when it is a matter of filling permanent posts.

J. T[hOMSON]—14-6-05.

Issue.

2. The note should be abstracted and the question of delegating powers of exemption to heads of departments, when such delegation had not yet been sanctioned, should be dealt with separately.
