O O T A C A M U N D .

Sir,

I have the honour to forward herewith the memorial of M.R. Ry C. Raghupathi Naidu, the English Record keeper of my Office, praying (1) that he may be exempted from passing the Revenue Test, Lower Grade, or, (2) that he may be declared to have passed the said Test, under the circumstances detailed in his memorial.

2. The petitioner has passed all the Special Test Examinations with the exception of the Revenue Lower, for which he continually appeared from the year 1889 to 1901 and failed.

3. Mr. R.D. Broadfoot, who was acting as Collector in 1894, strongly recommended the petitioner to Government that he be declared to have passed the said Test, in consideration of the fact that the percentage of pass in that year was very low, *And Mr H. Bradley in the year 1897* and lastly, Mr. C.H. Mounsey in the year 1899 also recommended him, but the Government refused to grant the exemption prayed for.

4. The reason for his renewing his application now, is, that he has been debarred from appearing for the said Test altogether owing to the concession granted to the General Test men having expired in the year 1902. Vide Notification of the Fort St. George Gazette, dated 16th July 1901, page 451, para 8.

5. Petitioner is getting rather too old to pass the examination and this has stood in the way of his prospects. He has put in a long approved service of nearly 26 years and is thoroughly trustworthy, and hard-working.

working, and bears an excellent character. I think that his request deserves consideration.

I have the honour to be,

Sir,

Your most obedient servant,

R. H. Shipley

COLLECTOR.

The humble memorial of C. Ragupathi Naidu,
Record Keeper, Coimbatore Collectorate.

MOST RESPECTFULLY SHOWETH.

That your humble memorialist, most respectfully and humbly begs to submit the following for favorable consideration.

2. That your memorialist has passed all the marginally noted examinations with the exception of Revenue Lower, for which your poor memorialist has appeared eight times and passed in all the prescribed subjects for it, but failed from

* This subject was separated from the Revenue Test and classed as Account Test in 1894.

3. That the annexed statement will convince your Excellency that the number of times your memorialist has passed in the subjects during the last 8 years are as under.

Revenue Regulations & Acts ... 6 times.
Board's Standing Order ... 3 times.
Village & Taluk Manuals ... 3 times.

4. That in the Account Code which was separated from the said Revenue Test in the year 1894, your memorialist has secured a pass in the First class as the third in the Presidency, (vide Supp. to the F. S. G. G. of 22-1-95,) that, considering the unfortunate circumstances under which your petitioner was not able to secure the minimum in the total number of marks in the said Revenue Test, the then acting Collector, R. D. BROADFOOT Esq., who was also an Examiner for the Revenue Test of 1893, has recommended that your memorialist might be allowed to have passed the Revenue Test Lower, as an act of grace owing to the percentage of pass in that year being low (vide copy of his Petition dated 7th March 1894 disposed of in the Commissioner's Official Memorandum No. 901 dated 16th April 1894 enclosed.)

5. That again Mr. R. D. BROADFOOT, in his endorsement, dated 22nd August 1894, on the memorial to Government dated 29th August 1894, disposed of in G. O., No. 857 Educational dated 10th November 1894, has recommended to Government that the memorialist was getting rather too old for passing examinations, but is well reported on as steady and hardworking and that therefore, his case alone might be declared to have passed on the ground of long and approved service.

6. That, subsequently in the year 1897, your humble memorialist's case was again strongly backed by the marginally noted officers with whom he came in contact, and they were submitted to Government by the then Collector H. BRADLEY, Esq., adding his opinion thereon, that "your memorialist is respectable and has had bad luck in the examinations." Vide G. O. No. 429 dated 11th November 1897 (Educational.)

Mr. H. G. Stokes.
Mr. J. G. Wood.
Mr. R. Ry. Chappan Menon.
Mr. R. Ry. Soundraraja Aiyengar.
Mr. F. Saldhana.

7. That again the said memorial was also backed up by the then acting Collector A. BUTTERWORTH Esq., with his opinion thereon "that the petitioner is highly spoken of by all those under whom he has served, and that his bad luck in the examinations still pursues him" vide G. O. No. 35 dated 24th January 1898 (Educational.)

8. That in the year 1899, your Memorialist's case was again recommended to Government by the then Collector C. H. MOUNSEY, Esq., in his D Dis. No. 2874 dated 30th September 1899 "for favourable consideration of Government, that he was an industrious and hard working officer whose efficiency and character is amply vouched for." Vide G. O. No. 726 dated 27th October 1899 (Educational.)

9. That notwithstanding the above recommendations your humble memorialist's case for an exemption was refused by Government, in their orders, quoted above.

10. That subsequent to that year, your memorialist again appeared for the said test, in the years 1900 and 1901 but to his misfortune he again failed in the said Revenue Test in the subjects wherein he once before passed in the previous years.

11. That your memorialist in the year 1902, was confirmed as 1st English Clerk on Rs. 50, and was latterly promoted to the English Record Keeper's place in September 1902 on Rs. 60, and finally confirmed in the said post in November 1902 in consideration of his long service and this forms a stepping stone for an executive appointment.

12. That, ever since his appointment as Record Keeper, he has done his best in bringing the records to a perfect order and also in picking out all the useful records in connection with the Nilgiri History for the kind perusal and record of SIR FREDERICK PRICE, K. C. S. I. and that gentleman was also pleased with the way in which your memorialist has done his work lately, as will be seen from the copy of the testimonial enclosed.

13. That your memorialist has been debarred from appearing any longer for the said test, owing to the concession granted by Government to General test candidates, for appearing for the said test, having expired in 1901.

14. That the present age of your memorialist is 49, and he has put in a service of nearly 26 years under Government, that it would be a great hardship and difficulty for him, to pass the said test hereafter at his advanced age.

15. That, considering the number of times he has passed (vide appended list) in the prescribed subjects, his failure only in the deficiency of total number of marks, his practical experience both in the Revenue and Magisterial duties, and also of the respectability of his family, as certified to by the several officers vide copies of his 37 testimonials enclosed, and in consideration of the number of times your humble memorialist was recommended to Government, for an exemption, by the several Collectors under whom he has served, referred to above, he respectfully solicits that your Excellency may be pleased to either exempt him from passing the Revenue Lower, or declare him, to have passed the said Test by reconsidering the remarks made on his behalf by the Commissioner for Government Examinations referred to in his letter dated 30th October 1894 No. 3654, embodied in the G. O. No. 857 dated 10th November 1894, communicated to the memorialist through the Collector of the District.

The reason for submitting the present application is given in para: 4 of the Collector's letter as that the petitioner is now debarred from appearing for the special tests owing to the concession granted to General Test men having expired in 1902. The Concession referred to was granted in G.O. no. 584 Est. of 21-9-96 and it expired on the 1st January 1902. Govt. in their order no. 66 Est. of 11-2-02 decided not to extend it any longer.

May X. The last order is dated 27.10.99. That was nearly six years ago. The applicant is aged 49 and appears desirous of qualifying for a higher pension before it is too late.

There are no new facts. The petition is an appeal ad misericordiam.

Petitioner appears to have a good record of service. He cannot be expected to pass his examinations, now if permitted to appear. He cannot be declared to have passed a test that he has not passed.

The case is one for exemption only on the ground of a good record of service, and continued infirmity.
