### Military Hospital Assistant Students.

Communicating to the Director of Public Instruction and the Surgeon-General letter from the Government of India on the subject of the grant of diploma to native —.

## GOVERNMENT OF MADRAS.

## EDUCATIONAL DEPARTMENT.

READ—again the following paper :—

G.O., No. 393, Educational, dated 9th June 1905.

ABSTRACT.—Communicating to the Director of Public Instruction letter from the Government of India on the subject of refund of tuition fees by Military Hospital Assistants who apply for their discharge before serving out the stipulated period and forwarding to him for remarks revised draft of the rules regarding native military pupils in medical schools.

READ—also the following paper :—

From Major W. A. LIDDELL, R.E., Officiating Deputy Secretary to the Government of India, Military Department (Medical Department—Subordinate), to the Director-General, Indian Medical Service, No. 2469-D., dated Simla, 5th June 1905.

In continuation of Military Department No. 2065-D., dated the 5th May 1905, I am directed to say that the Government of India desire that the diploma of a military hospital assistant which, it is understood, is ordinarily issued to a native military pupil on his appointment to the Indian Subordinate Medical department, should in future be withheld until the close of his service, and should then be given to him only if he has served for at least seven years. This instruction will not apply in the case of any men who are in the army, or who are studying at a medical college at this date.

2. To accord with this ruling the words "and obtaining a certificate" should be expunged from line 2, clause 3, of the security bond (copy forwarded with Military Department No. 5321-D., dated 22nd September 1904), which is executed by the parent, guardian or friend of a pupil.

3. The Government of India also consider that the diploma, which will be presented to a military hospital assistant at the termination of his service, should be uniform for all medical schools and should contain a record of services to Government, both in peace and war, so that it may be of greater utility to the recipient. It should also be ornamented and improved in appearance. I am accordingly to request that proposals for an improved and standardised form of diploma may be submitted for the approval of the Government of India.

## ENCLOSURES.

From Lieut.-Colonel H. T. KENNY, Deputy Secretary to the Government of India, Military Department (Medical Department—Subordinate), to the Director-General, Indian Medical Service, No. 5321-D., dated Simla, 22nd September 1904.

I am directed to acknowledge the receipt of your letter No. 2231, dated 15th April 1904, bringing to notice that during the last six years the number of native military pupils who withdrew from medical schools or refused to enter the military service on completion of their course, has risen from 5.5 to 19.2 per cent., and representing that the interests of the State will suffer seriously unless a security bond is taken on behalf of each military pupil before admission to a school. It is therefore proposed that the parent, guardian or friend of a pupil should be required to execute a bond undertaking to refund to the State the cost of the pupil's education if the latter refuse, on completion of the course, to accept service in the Indian Subordinate Medical department and to sign the required declaration, or if he, before completion of the course, leaves the school without permission or is dismissed therefrom for misconduct.

2. In reply I am to say that the Government of India sanction the proposal and the adoption of the enclosed form of security bond.

Whereas \* , of son of , by caste , a resident of , has been selected by the Principal of the medical , on behalf of the Honourable the Secretary of State for India in Council, for admission into the military class of the aforesaid medical , for the purpose of studying medicine and surgery, and has elected for Government service.

And it is further agreed and declared that in the event of the said passing the final examination and obtaining a certificate qualifying him to serve as a military hospital assistant, he, the said will sign the declaration prescribed for a military hospital assistant.
